

## The Weather

Rain, not much change in temperature tonight and Wednesday. Low tonight in 40s, high Wednesday 45-53.

**QUITS POST** — Resignation of Clare Boothe Luce as U. S. ambassador to Italy has been accepted by President Eisenhower with "very great personal regret." Mrs. Luce, who resigned for health reasons, said she expects to be in Rome till Christmas, and expects her resignation to become effective when the President names a successor to the post.

## News in Brief

### Poles Object To New Pact

VIENNA, Austria (AP)—A Polish newspaper says demonstrations and riots erupted in Poland while Poland's Communist party chief was in Moscow negotiating on future Polish-Soviet relations.

The newspaper Express Wieszniore received here today said disorders occurred Sunday at Bromberg. It said students and young workers set fire to the city's radio station and then fought off police and fire brigades.

Political observers here said, there was no doubt that riots broke out after announcement that the new agreement between Gomulka and the Kremlin leadership did not include provisions for the withdrawal of Soviet troops.

The independent Vienna newspaper Neuer Kurier reported "tension and disturbances" throughout Poland due to Gomulka's "talking the Moscow line."

Another Polish paper, the Glos Olszynski, told of an anti-Soviet demonstration by students at Olszyn (Allenstein), in former German East Prussia.

The Moscow communique on the talks said the Polish chieftain and the Kremlin leaders agreed that Soviet troops must remain in Poland, but the Poles were given veto power over Russian troop movements within their country. Western observers in Moscow and Communist officials in Warsaw got the idea that Gomulka got everything he asked for, and may be more, in his meetings with the Soviet leaders.

BERLIN (AP)—In a move to help pacify its restless labor force, Communist East Germany announced today it will permit the country's factories to begin setting up workers' committees. But their function will be mostly advisory and Communist union officials must approve their membership.

GENEVA (AP)—All Switzerland stood in three minutes' silent homage today to the freedom fighters of Hungary.

ISTANBUL (AP)—City authorities ordered gasoline rationing today to guard against a possible shortage as a result of the closing of the Suez Canal. Private cars will be allowed 1 1/2 to 2 gallons a day but none on Sunday. Public service vehicles are exempt.

TAIPEI (AP)—The Defense ministry said today it had intelligence reports that the Chinese Communists had built rocket-launching sites on the Fukien coast, 100 miles west of Formosa.

### Ex-Sheriff Trago Appeals His Case To High Court

COLUMBUS (AP)—David L. Trago, former Jackson County sheriff ousted by county commissioners while in jail has appealed to the Ohio Supreme Court.

An appellate court held that John E. Evans was properly appointed to succeed Trago, who was convicted Aug. 30, 1955, in Gallia County, of contributing to the delinquency of a minor. Trago was sentenced to a year in jail and was released last August.

Contending that Trago was absent for 90 consecutive days, the county commissioners declared his office vacant. While in Gallia County jail, Trago won the Democratic nomination for sheriff in last May's primary election. Evans, a Republican, defeated him Nov. 6 by 1,600 votes.

## City Board Moves To Speed School Expansion Program

Official action was taken by the Washington C. H. Board of Education Monday night to authorize the county auditor to issue \$645,000 worth of bonds for a city school building program and levy a 2.5 - mill tax for operating expenses.

Both the bond issue and tax levy were approved by the voters at the Nov. 6 election, the bond issue by 60.08 per cent majority and the levy by 56.98 per cent majority.

This official action took the form of the passage of two resolutions. One resolution authorized the county auditor to issue the bonds in \$1,000 denominations dated Dec. 1, 1956. The first interest payment will be June 1, 1957, the resolution noted.

The tax to retire the bonds over a 23-year period is to be levied outside the 10-mill limitation.

The auditor estimated some time ago that the levy would average 2.18 mills (21.8 cents on each \$100 of property valuation), but board members, noting a recent general increase in interest rates, expressed doubt that the rate would be that low now.

MONEY from sale of the bonds, which probably will be available Dec. 20, is to be used to: acquire a 29.9 - acre site at Elm and Willard Sts.; build a 15-classroom building there; build a new eight-classroom school in Belle Aire in the southern section of the city; construct a two - room addition to the Cherry Hill School; construct a two-room addition to the Rose Avenue School; replace the boilers in the high school and equip the new buildings.

The other resolution authorized the auditor to levy the full 2.5 - mill tax for school operating expenses (principally teacher salaries), beginning with the tax collection for the 1956 year.

Bids for the bonds are to be received until noon of Dec. 5. The board adopted another resolution to hold a special meeting at that time to open an act on the bids.

This special meeting follows by one day the regular board meeting.

THE BOARD discussed informally the possibilities in case Judge John J. Houston of Georgetown holds that a Citizens Committee should be formed to study the Fayette County (including Washington C. H.) school problems as a whole, but took no action.

The question of accepting per-

## Asian Powers Rapping Soviet

Russians Surprised By Move on Hungary

UNITED NATIONS, N. Y. (AP)—India and two other Asian neutrals, Ceylon and Indonesia, are backing U. N. moves to make an on-the-spot check in Hungary.

The three nations, which had kept aloof from the Hungarian dispute, put in a resolution calling on Hungary's Communist government to grant Secretary General Dag Hammarskjold's request to let in U. N. observers.

Hungary's puppet regime has refused to admit U. N. political observers but has said it would allow relief supplies with U. N. representatives to enter Hungary. However, it has evaded a request from Hammarskjold that he be admitted as head of the relief mission.

The Assembly Monday debated Cuba's call for the Soviet Union to stop deportations of Hungarians, but V. K. Krishna Menon of India reportedly asked that the Asian powers be given priority.

Informed sources said the Russians were perturbed over the sudden move by the three Asian nations, whom they had expected to keep silent during the debate.

INDIAN PRIME Minister Nehru, after insistent prodding by opposition Socialists and some newspapers, told the Indian Parliament Monday that Soviet troops were camped in Hungary against the wishes of the Hungarian people.

Nehru declared the bitter resistance of Hungarian workers had "powerfully affected" Russia's prestige in Eastern Europe and elsewhere. He said U. N. observers should be admitted to determine the actual situation.

During the debate on the Cuban resolution, Chief U. S. Delegate Henry Cabot Lodge Jr. said the United States had information that Russia has deported 16,000 persons in boxcars from Budapest.

"It is inevitable," Lodge declared, "that many of the men will die from cold and exposure, just as the unfortunate victims of the Nazi concentration camps did."

## Show Thankfulness By 'Being Careful'

COLUMBUS (AP)—Ohioans can demonstrate thankfulness for being alive by being careful during the Thanksgiving holiday, the highway safety department says.

Director U. C. Felty said empty chairs around the table in many Ohio homes "would be filled with those like you and me, had they not met their fate in unfortunate and preventable traffic accidents."

He urged continued caution if Ohio is to continue its trend toward a reduction in traffic fatalities.

## Yankee Seabees Setting Up First Colony at South Pole

MCMURDO SOUND, Antarctica (AP)—Americans colonized the South Pole today.

Eight Navy Seabees and 11 sled dogs are the first residents of the bleak, snow-topped plateau at the bottom of the world, where the temperature today was 29 degrees below zero.

The party landed just after midnight in two ski-equipped C47 Dakotas. Their safe arrival was reported by radio to U. S. air base 800 miles away on the coast of Antarctica.

The Navy men will set up a camp for American scientists who will spend the black antarctic winter at the pole. Their observations will be part of the U. S. contribution to the worldwide study of the earth and its atmosphere during the International Geophysical Year.

The men who landed today will

be the first in all history to live at the pole.

The planes remained on the snow about an hour while the dogs, sleds, tents, food and emergency gear were unloaded.

THEN THEY lunched into the rarefied polar air, with the assistance of jato rockets clamped to the wings, and headed back for this base.

Four other planes hovered overhead during the C47 landings, ready to drop paramedics in the event of a crash. One of the craft, a giant Globemaster, dropped a four-ton sealer—a vehicle equipped with caterpillar tracks to travel over the snow.

The Seabees unfastened the weather seal from its platform—on which it was dropped under three parachutes—and drove off through the snow.

## Egypt Backed By U. N. Aide, Says Report

World Police Force May Leave Suez After Allies Do

UNITED NATIONS, N. Y. (AP)—Egypt was reported today to have the general support of U. N. Secretary Dag Hammarskjold in its demand that the U. N. police force leave the Suez Canal zone after a British-French withdrawal.

With Britain, France and Israel standing firm in their opposition, U. N. diplomats were said to be seriously concerned over the delay in finding a formula to resolve the deadlock.

Hammarskjold's view of the function of the police force, based on his interpretation of resolutions adopted by the General Assembly, was reported to include possible security duty during the clearing of the blocked waterway. A U. N. spokesman said such "security arrangements" would be subject to negotiation.

Egypt has demanded that Britain, France and Israel immediately withdraw their troops from Egyptian territory seized in their offensive. Britain and France have insisted they will pull their forces out of the northern third of the canal zone only if the positions are taken over by U. N. police troops.

ISRAEL HAS indicated it will try to hang on to the Gaza Strip and so far has not moved to withdraw from Egypt's Sinai Peninsula.

The U. N. spokesman said clearance of the canal, blocked by the wreckage of two bridges and 47 sunken ships, would be undertaken as authorized by the U. N., with the organization arranging with "a number of firms" to do the work. He added, "The negotiations for the undertaking might also have to cover security arrangements."

"The U. N. emergency force will carry out the functions assigned to it by the General Assembly for the supervision of the cease-fire and the withdrawal of the British-French and Israeli forces," the spokesman continued.

"In so doing," he said, "the U. N. emergency force will contribute to the re-establishment of conditions in which the clearance of the canal can be carried through successfully. No one can at present forecast exactly how long the operation will take."

Earlier estimates have said the job may take six months.

## U. S. Reds See 'Tragic Error' By Russians

NEW YORK (AP)—The national committee of the American Communist party says "we do not seek to justify the use of Soviet troops in Hungary's internal crisis on Nov. 4."

A letter to party members from the committee adds, however: "Neither do we join in the condemnation of this action. Were there no alternatives? Was it a grim necessity? We are in no position to give final judgment on the Soviet action."

The committee's 2,500-word letter to members was made public Monday night.

In a long discussion of events in Hungary, the letter said:

"The Oct. 24 decision of the Soviet government to call upon Soviet troops stationed in Hungary to put down the initial popular demonstrations inflamed the situation to a grave crisis."

"This was a tragic error for which the Soviet Union must also take responsibility. It disclosed the failure of a policy which was not based securely upon the national needs and sentiments of the working class and popular masses in Hungary."

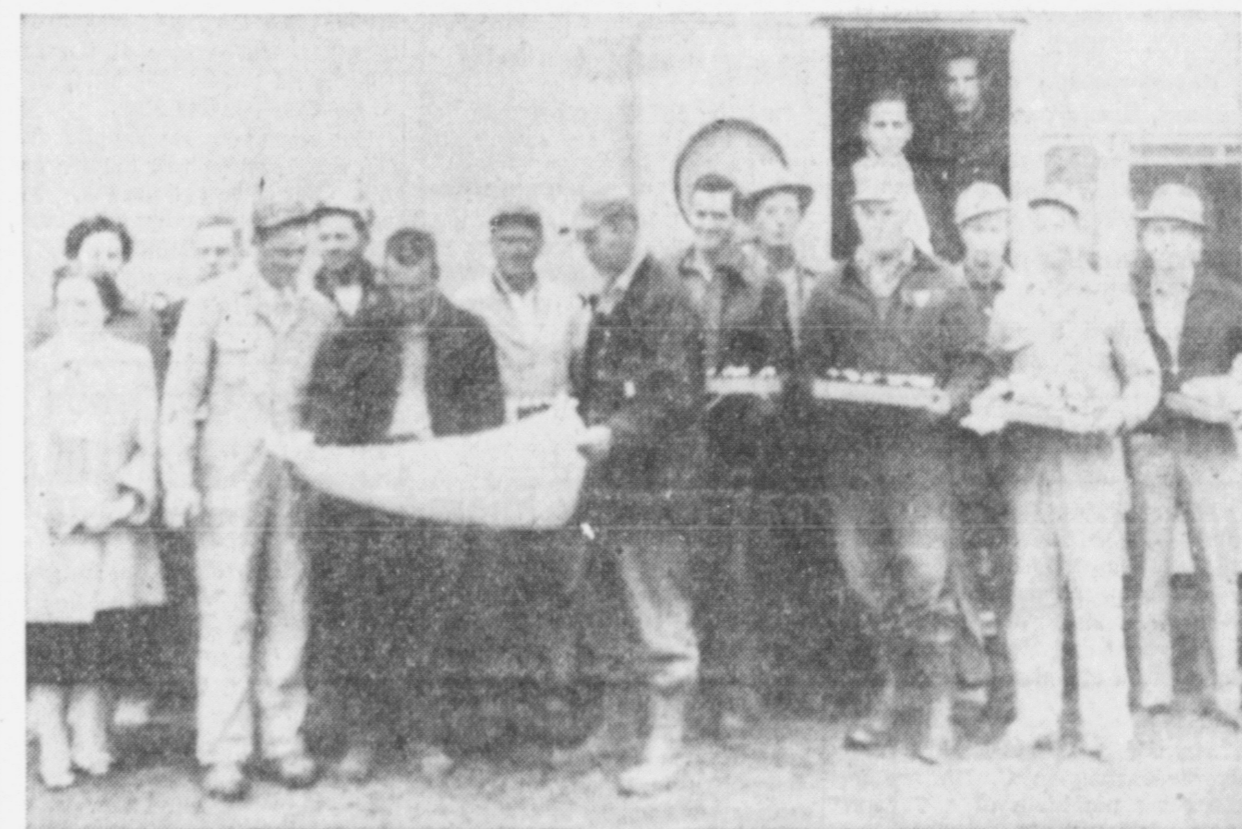

## Stassen Says All Likemen to 'Resign'

DAYTON (AP)—Harold Stassen said here Monday night that all members of President Eisenhower's cabinet will submit their resignations at the end of the President's term of office.

Eisenhower's special assistant on disarmament added that "none of us say anything about it until the President does." Stassen declined a direct answer to a question as to whether he thought he would be reappointed.

Stassen was here to speak before a World Affairs Student Institute. He said the draft is necessary to maintain a reasonable strength for the sake of peace.

# MID-EAST TENSION BUILDING UP AGAIN

BRUCELLOSIS FIGHTERS—Here are the people who are helping to conduct the free Brucellosis testing program which began here today. A number of them are volunteers who plan to collect milk samples from farms all over Fayette County, bringing them to the mobile laboratory stationed at the Fairgrounds, where tests will be made from now until Dec. 10. First row, left to right, are Mrs. Frank Dill, Frank Dill, Rex Bloomer, Donald Rife, Forrest Haines, and Kenneth Spahr; Second row: Mrs. David Haines, Lowell Hidy, Joe Saville, Osman King, Marvin Dement, Homer Carr, Robert Kleever and Gerald Straley. In the doorway are lab technician Fred Ziegler and Dr. William Wiseman, the veterinarian in charge.

## Special Thanksgiving Services Planned Wednesday and Thursday

Fayette County residents will give thanks for their blessings at special Thanksgiving services this week.

The customary union Thanksgiving service for all denominations will be held Wednesday evening at the church of Christ in Christian Union on Gregg St.

This service, as in past years, is sponsored by the Fayette County Ministerial Assn. Several of the cooperating churches also are planning their own services on Thursday, Thanksgiving Day.

The union service is to open at 7:45 p. m. with the singing of "America the Beautiful" by the congregation.

AFTER the welcome by the Rev. Charles Ware, pastor of the Church of Christ in Christian Union, the congregation will sing "Faith of Our Fathers."

The Rev. Norman Renn, pastor of Calvary Baptist Church, will read the 147th Psalm and the Rev. L. J. Poe, pastor of

Grace Methodist Church, will deliver the Prayer of Thanksgiving.

The offering is to be taken following the singing of the hymn, "Riches of Grace," by the choir of the Church of Christ in Christian Union.

THE THANKSGIVING sermon, "Why Be Thankful?" will be delivered by the Rev. W. Neil Hand, pastor of the First Presbyterian Church. The Rev. Harold B. Twining, pastor of the First Baptist Church, is to pronounce the benediction.

The union Thanksgiving service last year was held at the new St. Andrew's Episcopal Church on Highland Ave.

On Thanksgiving Day, a free chicken dinner is to be served at the House of Prayer on Washington Ave. at noon.

The Rev. H. C. Leeth, the pastor, said preparations are being made to serve around 250 and added that the dinner is especially for

those less fortunate families whose Thanksgiving might otherwise be drab. Meeting with them will be the members of the church, he said.

Expenses of the dinner will be met with some contributions by non-members and a free will offering taken at the church last Thursday evening.

The Rev. Mr. Leeth said he was uncertain just how long these Thanksgiving dinners have been served at the House of Prayer, but added they have become a tradition "over the last 35 years."

THREE WORSHIP services are to be held that day also, the first at 10:30 a. m., the next at 2 p. m. and the last one at 7:30 p. m. The services will be conducted by a guest minister, as yet not selected. There also is to be special music.

At St. Colman's Catholic Church, the Rev. Richard J. Connelly, the pastor, said there will be "in contrast to the distress suffered by many Europeans, a special High Mass of Thanksgiving to God for His providential care of the nation," offered at 8 a. m. on Thanksgiving Day.

Special prayers for the state and nation will be recited by Fr. Connelly and the St. Colman's Church choir, under the direction of Miss Margaret McDonald, will offer special music. The Mass of Thanksgiving at 8 o'clock Thursday morning will

## Crossing Blocked

Oak St. will be blocked at the DT&I crossing Tuesday night and may not be reopened until Wednesday afternoon, City Manager James F. Parkinson warns drivers.

Railroad workers were rebuilding the crossing to accommodate higher rails when rain halted necessary hit - mix pouring Tuesday. The job cannot be completed until the rain stops.

## England Joins Nations Set To Ration Fuel

U. N. Police Force To Move To Quell Allied-Egypt Friction

BY THE ASSOCIATED PRESS New anxieties developed in Europe today amid growing tension in the Middle East.

Numerous nations were tightening their belts against the shortage of oil and a portion of the United Nations police force sought to prevent a new clash between Egyptians and British - French troops.

In the disputed Suez Canal Zone, U. N. observers began an inquiry to determine whether Egyptian firing at British-French forces near the El Cap battle lines should be considered a violation of the truce.

British and French officers protested an outburst of shooting from the Egyptian lines Sunday and an hour of wild firing Monday. They said their troops suffered no casualties and did not shoot back.

The Egyptians charged Britain and France with imposing "undeclared martial law" on Port Said, at the northern end of the canal, and with "committing brutal acts against its civilian population."

In Cairo, Col. C. F. Moe of Norway, deputy U. N. police force commander, said a company of Norwegian troops under U. N. command was preparing to move into Port Said Wednesday "to prevent friction between the Egyptian population and British - French troops."

MOE SAID the movement had no relation to British-French withdrawal from the city. The move would be the first action by U. N. troops since they began arriving at Abu Suweir air base in the canal zone last week. There are 674 U. N. troops at the base now.

The Norwegian commander said the Egyptian government had agreed to the move by 175 men and 15 officers in talks with U. N. Secretary General Dag Hammarskjold here. The men will be armed with light machineguns and rifles and will take seven days supplies with them.

Tension in Port Said is reported to have increased in the last few days, with passive resistance by the population to the British-French forces growing.

The British commander has asked that a proclamation be made putting the population under a modified form of military rule in order to counteract alleged intimidation of Egyptians cooperating with the military forces. His request was reported referred to British and French governments.

Col. Moe said the presence of the U. N. force in Port Said "would ease the tension."

In London, the British government announced today it will start rationing gasoline and oil used in motor vehicles beginning Dec. 17. "Necessary orders have been made" Minister of Fuel and Power Aubrey Jones reported.

THERE WILL be a basic ration for all motorists with a limited supplementary allowance for essential purposes, he said.

The step was taken to meet the

## Ohio Wheat Farms Slated To Get \$5 Million in '57

WASHINGTON (AP)—Soil bank payments totaling \$5,352,058 will go to 14,941 Ohio farmers next year for agreeing to cut back their 1957 wheat crop.

That is the latest total on Ohio's participation in the wheat soil bank. An Agriculture Department spokesman said today those figures are just about complete.

In the case of wheat for next spring, Ohio farmers have agreed to take 178,806 acres out of production. This is a small portion of Ohio's total wheat acreage, which exceeds 1 1/2 million.

A department spokesman said Ohio farmers did not avail themselves of their full quota of 1957 wheat soil bank agreements.

"I think one explanation for this

is that the corn belt wheat is often used as a rotation crop," he said.

"It's especially true in Ohio. In other words, many Ohio farmers do not depend primarily on wheat for cash income."

In contrast to Ohio, he said, wheat farmers in New York, a non-corn belt state, went over their quota for 1957 soil bank agreements and had to be assigned additional acreage.

Just when Ohio farmers will receive their checks for the new wheat agreements has not definitely been decided.

"There is a little debate going on down here on that," said one department official.

"The way it looks now, though, I think it would be a good guess

that the payments will start next July."

The reason for the delay, he said, is that the department will want to check just before harvest time to make sure the farmers really set aside their land.

As for 1956 Ohio soil bank payments, the spokesman said these will total \$8,230,912 on all crops, of which \$6,729,937.88 already has been paid.

The total Ohio soil bank payments for 1956:

Corn — 15,860 agreements (166,609 acres), \$8,090,155; wheat—1,245 agreements (12,491 acres), \$76,612; early tobacco—328 agreements (135 acres), \$46,301; cigar type 42-44 tobacco—53 agreements (116 acres), \$15,844.

The Weather

Rain, not much change in temperature tonight and Wednesday. Low tonight in 40s, high Wednesday 45-53.

Ex-Sheriff Trago Appeals His Case To High Court

COLUMBUS (AP)—David L. Trago, former Jackson County sheriff ousted by county commissioners while in jail has appealed to the Ohio Supreme Court.

An appellate court held that John E. Evans was properly appointed to succeed Trago, who was convicted Aug. 30, 1955, in Gallia County, of contributing to the delinquency of a minor. Trago was sentenced to a year in jail and was released last August.

Contending that Trago was absent for 90 consecutive days, the county commissioners declared his office vacant. While in Gallia County jail, Trago won the Democratic nomination for sheriff in last May's primary election. Evans, a Republican, defeated him Nov. 6 by 1,600 votes.

City Board Moves To Speed School Expansion Program

Official action was taken by the Washington C. H. Board of Education Monday night to authorize the county auditor to issue \$645,000 worth of bonds for a city school building program and levy a 2.5 - mill tax for operating expenses.

Both the bond issue and tax levy were approved by the voters at the Nov. 6 election, the bond issue by 60.08 per cent majority and the levy by 56.98 per cent majority.

This official action took the form of the passage of two resolutions. One resolution authorized the county auditor to issue the bonds in \$1,000 denominations dated Dec. 1, 1956. The first interest payment will be June 1, 1957, the resolution noted.

The tax to retire the bonds over a 23-year period is to be believed outside the 10-mill limitation.

The auditor estimated some time ago that the levy would average 2.18 mills (21.8 cents on each \$100 of property valuation), but board members, noting a recent general increase in interest rates, expressed doubt that the rate would be that low now.

MONEY from sale of the bonds, which probably will be available Dec. 20, is to be used to: acquire a 29.9 - acre site at Elm and Willard Sts.; build a 15-class room building there; build a new eight-classroom school in Belle Aire in the southern section of the city; construct a two - room addition to the Cherry Hill School; construct a two-room addition to the Rose Avenue School; replace the boilers in the high school and equip the new buildings.

The other resolution authorized the auditor to levy the full 2.5 - mill tax for school operating expenses (principally teacher salaries), beginning with the tax collection for the 1956 year.

Bids for the bonds are to be received until noon of Dec. 5. The board adopted another resolution to hold a special meeting at that

Berserk Man Kills 2 Cops In Gun Battle

INT. Mich. (AP)—A berserk gunman, handling a deer rifle with deadly accuracy, shot and killed state troopers George E. Lappi, 28, and Bert Pozza, 27, who were called to a rural home Monday to quell a family row.

Lappi died on the day after his eighth wedding anniversary. His wife is expecting another child in a few days. Pozza died on his wife's birthday. Both have two small children.

Another state trooper, Cpl. Robert Vesey, was wounded in the ankle during a 45 - minute siege before Harry G. Richards, 63, was driven from his home by bullets and tear gas fired by 75 policemen.

Richards, a retired Flint postal clerk, is a police prisoner at a hospital. He was treated for tear gas effects. Police said he was too incoherent to tell what happened. They quoted his friends as saying he had been deteriorating mentally since suffering a stroke in 1948. His wife said he had been under psychiatric care.

Mrs. Richards said her husband became enraged during an argument over "a mere nothing" and struck her in the face with a small coal shovel. She called the troopers.

Richards barricaded himself in the house. He ran from window to window firing his rifle to hold off the troopers.

U. S. Reds See 'Tragic Error' By Russians

NEW YORK (AP)—The national committee of the American Communist party says "we do not seek to justify the use of Soviet troops in Hungary's internal crisis on Nov. 4."

A letter to party members from the committee adds, however: "Neither do we join in the condemnation of this action. Were there no alternatives? Was it a grim necessity? There are no ready answers and we are in no position to give final judgment on the Soviet action."

The committee's 2,500-word letter to members was made public Monday night.

In a long discussion of events in Hungary, the letter said:

"The Oct. 24 decision of the Geroe government to call upon Soviet troops stationed in Hungary to put down the initial popular demonstrations inflamed the situation to a grave crisis.

"This was a tragic error for which the Soviet Union must also take responsibility. It disclosed the failure of a policy which was not based securely upon the national needs and sentiments of the working class and popular masses in Hungary."

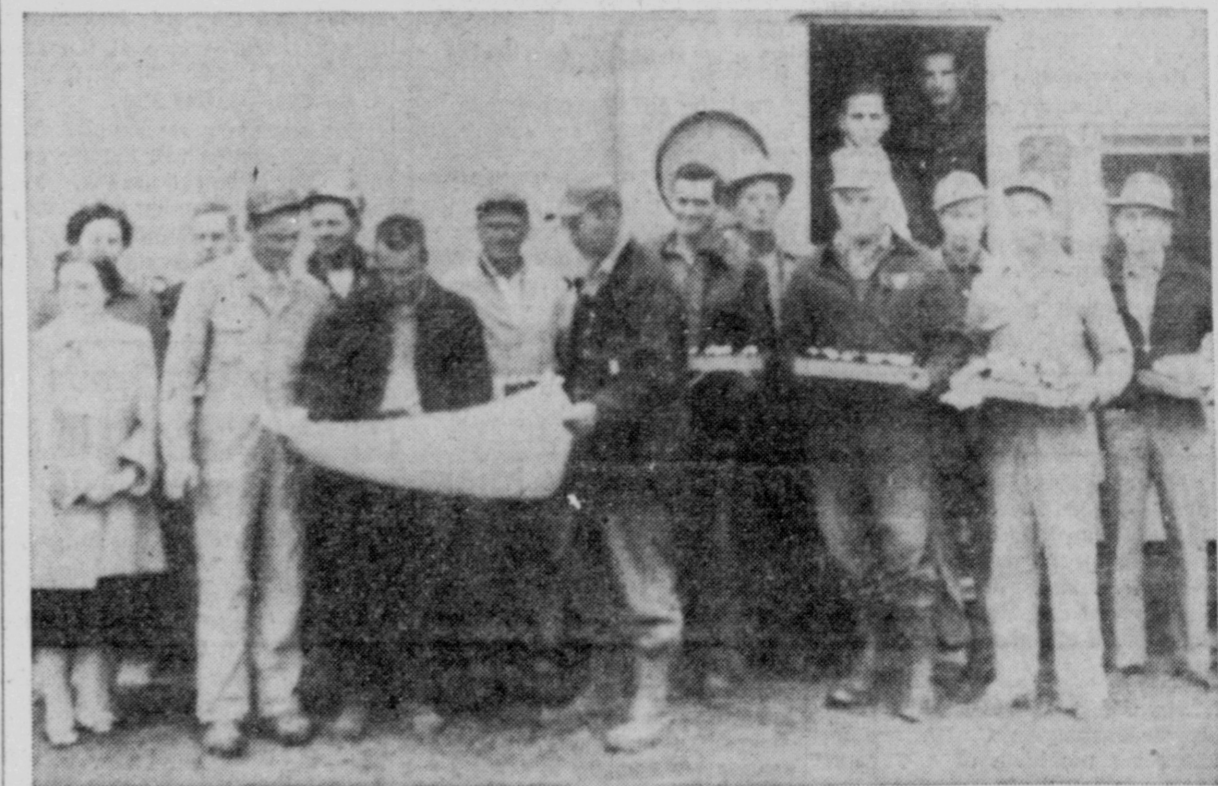

Stassen Says All Ikemen to 'Resign'

DAYTON (AP)—Harold Stassen said here Monday night that all members of President Eisenhower's cabinet will submit their resignations at the end of the President's term of office.

Eisenhower's special assistant on disarmament added that "none of us say anything about it until the President does." Stassen declined a direct answer to a question as to whether he thought he would be reinstated.

Stassen was here to speak before a World Affairs Student Institute. He said the draft is necessary to maintain a reasonable strength for the sake of peace.

MID-EAST TENSION BUILDING UP AGAIN

BRUCellosis FIGHTERS—Here are the people who are helping to conduct the free Brucellosis testing program which began here today. A number of them are volunteers who plan to collect milk samples from farms all over Fayette County, bringing them to the mobile laboratory stationed at the Fairgrounds, where tests will be made from now until Dec. 10. First row, left to right, are Mrs. Frank Dill, Frank Dill, Rex Bloomer, Donald Rife, Forrest Haines, and Kenneth Spahr; Second row: Mrs. David Haines, Lowell Hidy, Joe Saville, Osman King, Marvin Dement, Homer Carr, Robert Kleever and Gerald Straley. In the doorway are lab technician Fred Ziegler and Dr. William Wiseman, the veterinarian in charge.

Special Thanksgiving Services Planned Wednesday and Thursday

Fayette County residents will give thanks for their blessings at special Thanksgiving services this week.

The customary union Thanksgiving service for all denominations will be held Wednesday evening at the church of Christ in Christian Union on Gregg St.

This service, as in past year, is sponsored by the Fayette County Ministerial Assn. Several of the cooperating churches also are planning their own services on Thursday, Thanksgiving Day.

The union service is to open at 7:45 p. m. with the singing of "America the Beautiful" by the congregation.

AFTER the welcome by the Rev. Charles Ware, pastor of the Church of Christ in Christian Union, the congregation will sing "Faith of Our Fathers."

The Rev. Norman Renn, pastor of Calvary Baptist Church, will read the 147th Psalm and the Rev. L. J. Poe, pastor of

Grace Methodist Church, will deliver the Prayer of Thanksgiving.

The offering is to be taken following the singing of the hymn, "Riches of Grace", by the choir of the Church of Christ in Christian Union.

THE THANKSGIVING sermon on "Why Be Thankful", will be delivered by the Rev. W. Neil Hand, pastor of the First Presbyterian Church. The Rev. Harold B. Twining, pastor of the First Baptist Church, is to pronounce the benediction.

The union Thanksgiving service last year was held at the new St. Andrew's Episcopal Church on Highland Ave.

On Thanksgiving Day, a free chicken dinner is to be served at the House of Prayer on Washington Ave. at noon.

The Rev. H. C. Leeth, the pastor, said preparations are being made to serve around 250 and added that the dinner is especially for

those less fortunate families whose Thanksgiving might otherwise be drab. Meeting with them will be the members of the church, he said.

Expenses of the dinner will be met with some contributions by non-members and a free will offering taken at the church last Thursday evening.

The Rev. Mr. Leeth said he was uncertain just how long these Thanksgiving dinners have been served at the House of Prayer, but added they have become a tradition "over the last 35 years."

THREE WORSHIP services are to be held that day also, the first at 10:30 a. m., the next at 2 p. m. and the last one at 7:30 p. m. The services will be conducted by a guest minister, as yet not selected. There also is to be special music.

At St. Colman's Catholic Church, the Rev. Richard J. Connelly, the pastor, said there will be "in contrast to the distress suffered by many Europeans, a special High Mass of Thanksgiving to God for His providential care of the nation", offered at 8 a. m. on Thanksgiving Day.

Special prayers for the state and nation will be recited by Fr. Connelly and the St. Colman's Church choir, under the direction of Miss Margaret McDonald, will offer special music.

The Mass of Thanksgiving at 8 o'clock Thursday morning will

Crossing Blocked

Oak St. will be blocked at the DTKI crossing Tuesday night and may not be reopened until Wednesday afternoon, City Manager James F. Parkinson warns drivers.

Railroad workers were rebuilding the crossing to accommodate higher rails when rain halted necessary hit - mix pouring Tuesday. The job cannot be completed until the rain stops.

Ohio Wheat Farms Slated To Get \$5 Million in '57

WASHINGTON (AP)—Soil bank payments totaling \$5,352,058 will go to 14,941 Ohio farmers next year for agreeing to cut back their 1957 wheat crop.

That is the latest total on Ohio's participation in the wheat soil bank. An Agriculture Department spokesman said today those figures are just about complete.

In the case of wheat for next spring, Ohio farmers have agreed to take 178,806 acres out of production. This is a small portion of Ohio's total wheat acreage, which exceeds 1 1/2 million.

A department spokesman said Ohio farmers did not avail themselves of their full quota of 1957 wheat soil bank agreements. "I think one explanation for this

is that the corn belt wheat is often used as a rotation crop," he said. "It's especially true in Ohio."

"In other words, many Ohio farmers do not depend primarily on wheat for cash income."

In contrast to Ohio, he said, wheat farmers in New York, a non-corn belt state, went over their quota for 1957 soil bank agreements and had to be assigned additional acreage.

Just when Ohio farmers will receive their checks for the new wheat agreements has not definitely been decided.

"There is a little debate going on down here on that," said one department official.

"The way it looks now, though, I think it would be a good guess

England Joins Nations Set To Ration Fuel

U. N. Police Force To Move To Quell Allied-Egypt Friction

BY THE ASSOCIATED PRESS New anxieties developed in Europe today amid growing tension in the Middle East.

Numerous nations were tightening their belts against the shortage of oil and a portion of the United Nations police force sought to prevent a new clash between Egyptians and British - French troops.

In the disputed Suez Canal Zone, U. N. observers began an inquiry to determine whether Egyptian firing at British-French forces near the El Cap battle lines should be considered a violation of the truce.

British and French officers protested an outburst of shooting from the Egyptian lines Sunday and an hour of wild firing Monday. They said their troops suffered no casualties and did not shoot back.

The Egyptians charged Britain and France with imposing "undeclared martial law" on Port Said, at the northern end of the canal, and with "committing brutal acts against its civilian population."

In Cairo, Col. C. F. Moe of Norway, deputy U. N. police force commander, said a company of Norwegian troops under U. N. command was preparing to move into Port Said Wednesday "to prevent friction between the Egyptian population and British - French troops."

MOE SAID the movement had no relation to British-French withdrawal from the city. The move would be the first action by U. N. troops since they began arriving at Abu Suweir air base in the canal zone last week. There are 674 U. N. troops at the base now.

The Norwegian commander said the Egyptian government had agreed to the move by 175 men and 15 officers in talks with U. N. Secretary General Dag Hammarskjold here. The men will be armed with light machineguns and rifles and will take seven days supplies with them.

Tension in Port Said is reported to have increased in the last few days, with passive resistance by the population to the British-French forces growing.

The British commander has asked that a proclamation be made putting the population under a modified form of military rule in order to counteract alleged intimidation of Egyptians cooperating with the military forces. His request was reported referred to British and French governments.

Col. Moe said the presence of the U. N. force in Port Said "would ease the tension."

In London, the British government announced today it will start rationing gasoline and oil used in motor vehicles beginning Dec. 17.

"Necessary orders have been made" Minister of Fuel and Power Aubrey Jones reported.

THERE WILL be a basic ration for all motorists with a limited supplementary allowance for essential purposes, he said.

The step was taken to meet the

(Please turn to page two)

## 60 Refugees Now Winging Toward U. S.

VIENNA (AP)—Sixty refugees from Soviet terror in Hungary were on their way to homes in the United States today as American officials worked to speed up to 5,000 across the Atlantic.

The fugitives from Russian suppression of the Hungarian rebellion streamed out to other Western European countries at the rate of 1,000 a day, but they poured into Austria nearly four times as fast.

The total to reach Austria since the Russians turned their tanks and guns on the rebels was fast approaching 50,000. About 8,000 so far have been shipped out to foreign countries, and many are finding homes and jobs in Austria.

A silver, blue and red DC4, chartered by the Intergovernmental Committee for European Migration, left Vienna's Schwechat Airport early this morning with the first 41 refugees bound for the United States. It collected another 19 Hungarians in Munich and was due at McGuire Air Force Base, N. J., Wednesday.

The next planes carrying U. S.-bound refugees are scheduled to leave Wednesday. Two or three planes, one from Linz and the others from Vienna, are expected to take off with about 200 refugees, ICEM officials announced. Committee spokesman said one plane-load will go to Milwaukee to take part in a free Hungary celebration Sunday.

The first group from Vienna included 15 men, 11 women, 15 children under 14 years old.

## City School Board

(Continued from Page One)

sonal tuition students also was brought up informally, but it was pigeonholed indefinitely with virtually no discussion.

A motion, instructing Clerk-Treasurer Fred Rose to notify the Ohio Water Service Co. that it plans to proceed with the acquisition of the site for the new East-side School when the money from the bonds is available.

The board has an agreement to purchase the site from the company at \$1,000 per acre within 30 days after approval of the bond issue. This is merely a written agreement, not an option, to purchase and was contingent on the outcome of the vote on the bond issue proposal.

G. Damon Baker had told the board he would give two acres for the new school in Belle Aire. Board President Robert Terhune reported that Baker had told him last week that the size of the tract would be increased if needed and suggested that the board and architects select the site on either side of High St. south of Comfort Lane.

THE BOARD approved a motion to place Mrs. Suzanne Willis Sams on a regular teacher salary basis, in accordance with a board policy, after substituting 20 days in the same position. She has been substituting for Miss Ethel Arnold as eighth grade English teacher.

The board also approved the appointment of G. B. Vance, head of the industrial arts department, as stage production supervisor with \$100 compensation for the extra duties.

A proposal that expenses of one delegate to the conference on education, sponsored by the Ohio Education Assn., Feb. 28-March 1 in Columbus, was approved. The City Teachers Assn. has also sent a delegate in the past.

Payment of routine bills amounting to \$2,908 was authorized just before adjournment.

All members of the board were present. In addition to Terhune, they are Elmer Reed, Milbourne Flee, William A. Lovell and Charles Pensyl.

## Blessed Events

Mr. and Mrs. Gordon P. Brown Jr., 4738 Dodd Drive, Corpus Christi, Texas, are announcing the birth of a daughter, Laura Jo, Saturday, Nov. 17. Mr. Gordon Brown, Sr., of Fairborn and Mr. and Mrs. Heber Roe, of this city, are the grandparents.

Mr. and Mrs. Paul Rush, formerly of Washington C. H., are announcing the birth of a 7 pound 15 ounce son at St. Elizabeth Hospital, Dayton, Sunday.

## Mid-East Tension

(Continued from Page One)

shortages caused by the blockade of the Suez Canal that followed the British - French invasion of Egypt. The Suez is the main supply route for British oil.

The pinch resulting from blockade of the canal was being felt with increasing intensity throughout Western Europe.

Production cutbacks in some industries already are appearing in a number of British firms.

Jones gave no immediate indication as to what ration allowances would be granted.

In Tel Aviv, the Israeli government imposed a four-cent-a-gallon tax on gasoline to help pay the cost of the campaign that captured Egypt's Sinai.

In The Hague, the Dutch government today banned most motorized traffic on Sunday to avert a gasoline shortage because of the crisis.

Istanbul, Turkey, announced earlier that it was rationing private autos to about two gallons of gasoline a day and none on Sundays.

In London, Stanley Evans, a Laborite member of Parliament who rebelled against his party's condemnation of the British - French invasion of Egypt, said he will resign his seat. The party has asked his resignation, Evans said, and "I will comply."

If a human singer had ego, they should be reminded that a wood thrush can sing four notes at once and a blue jay can sing a major chord.

**FALSE TEETH  
That Loosen  
Need Not Embarrass**

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little **FASTEETH**, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get **FASTEETH** at any drug counter.

## Lyons Again Denies Slaying In Cincinnati

CINCINNATI (AP)—Robert V. Lyons denied again today, this time under lengthy cross examination, that he stabbed Mrs. Audrey Evers Pugh to death in her fashionable home here last April 11.

Lyons, a 43-year-old former city waterworks meter reader, is on trial on a charge of first degree murder in the slaying of the attractive socialite. A statement in which he admitted the slaying has been introduced into evidence but Lyons since has repudiated it.

On direct examination Monday, Lyons said, "I did not stab Audrey Pugh."

He repeated that denial today, declaring he saw only the top of Mrs. Pugh's head when he went to her home to read the water meter.

Lyons said he repeatedly denied to police questioners that he killed the woman, wife of a wealthy printing firm executive.

But he said he finally signed a statement admitting the knife killing after lengthy questioning in which he was told the statement meant the difference between "going to the chair or saving my life."

Lyons said, "I hadn't killed Mrs. Pugh. But I had no alternative." He said police told him they had enough evidence to convict him.

He also stated that an assistant prosecuting attorney "promised" that Lyons, upon pleading guilty, would "be sent to a VA hospital for awhile and then everything would be forgotten."

## French Deny Fliers Aid Israel Attack

LONDON (AP)—The Manchester Guardian asserted today that "French aircraft flown by French pilots in French uniform" took part in Israel's invasion of Egypt.

A French Defense Ministry spokesman in Paris "most emphatically" denied the report.

"This is absolutely untrue," he said. "Not a single French pilot, whether in uniform or not, did take part in the Israeli offensive or did fly planes from Israeli bases."

## Ohio Jail Escapee Held in Indiana

RICHMOND, Ind. (AP)—A youth who told police he escaped from the Morrow County (Ohio) jail after picking his cell lock with a coat hanger, agreed Monday to return voluntarily.

Officers said Lester W. Nuce, 19, of Troy, Calif., was arrested by two patrolmen as he sought to thumb a ride through the city. He was captured after a brief chase. Police said he escaped while the jail turnkey was asleep. He was held in the Ohio jail on auto theft charges, officers said.

## Mainly About People

Mrs. Edward Cobb, who was injured in a traffic accident in California, a few days ago, is a patient in Hawthorne Community Hospital, 711 N. Greville St., in Hawthorne, California, where she will be confined for the coming two weeks. She is being treated for a fractured ankle.

Pamela Kay Elliott, infant daughter of Mr. and Mrs. Edwin Elliott, Route 4, has been returned from Children's Hospital, Columbus, where she was a patient for observation and treatment.

## Special Services

(Continued from Page One)

come 45 minutes later than the daily Mass, regularly held at 7:15 o'clock. Father Connelly reminded.

EXPRESSIONS of gratitude for God's goodness will feature the Thanksgiving service at the First Church of Christ, Scientist, at 11 a. m. Thanksgiving Day.

The voluntary testimonies from the congregation will include gratitude for spiritual growth, physical healings and other blessings.

A Lesson - Sermon for the day entitled "Thanksgiving" will emphasize the importance of living one's gratitude to God.

## Hoover Contends He Was Right in Opposing War II

CHICAGO (AP)—Former President Herbert Hoover says he has "no regrets" for a stand he took in 1941 opposing United States involvement in World War II.

Hoover, now 82, spoke Monday night at a dinner in connection with the dedication of a new boys' club. In his speech of June 29, 1941, he said that Britain was "now safe from German invasion due to Hitler's diversion to his attack upon Russia."

"I said the gargantuan jest of all history would be if we should give aid to Stalin in the war," Hoover said. "I said the result would be to spread communism over the world."

"I urged that we stand aside while these two monsters exhausted each other; that if we stood aside the time would come when we could, by our strength, bring lasting peace to the world."

## Ohio Telephone Firm Chieftain Selected

MARION (AP)—The Ohio Consolidated Telephone Co. today announced the appointment of Charles A. Bowen of Marion as manager of the central division which covers the Circleville and Wilmington area. He has been southern division manager.

## PUCO May Probe Rate Setup Of Struck Telephone Firm

COLUMBUS (AP)—The Public Utilities Commission of Ohio will seriously consider launching its own investigation of the fairness of rates Ohio Consolidated Telephone Co. has been charging since a strike began July 15.

That was announced today by the commission chairman, Robert Moulton, at a public hearing on rates in Jefferson County.

The Yorkville-Tiltonsville - Rayland Board of Trade believes rate charges are too high for the service rendered.

Attorney Hugo Alexander of Steubenville, representing the board, today suggested PUCO investigate charges throughout the company's 39 exchanges.

Alexander is not the only lawyer sharply critical of Ohio Consolidated.

## City Loses 2nd Round in Pinball Fight

COLUMBUS (AP)—City officials lost their second round in a fight against pinball machines Monday when Common Pleas Judge Robert N. Draper ruled an ordinance too prohibitory.

Ordinances banning possession of pinball machines in public places and businesses were to have taken effect last June 14. But Judge Draper granted a temporary restraining order to pinball machine owners at that time.

The order was challenged on legal grounds by the city attorney's office.

In Monday's opinion, Judge Draper said the existing ordinance "tends to prohibit the exhibition of pinball machines anywhere except in private homes."

He said that "certainly there would not be a sufficient demand for pinball machines in a private home to allow operators of them to continue in business."

Earlier, Common Pleas Judge Dana F. Reynolds had ruled other pinball ordinances prohibitive rather than regulatory. He suggested the city change the laws.

Production cutbacks in some industries already are appearing in a number of British firms.

Jones gave no immediate indication as to what ration allowances would be granted.

In Tel Aviv, the Israeli government imposed a four-cent-a-gallon tax on gasoline to help pay the cost of the campaign that captured Egypt's Sinai.

In The Hague, the Dutch government today banned most motorized traffic on Sunday to avert a gasoline shortage because of the crisis.

Istanbul, Turkey, announced earlier that it was rationing private autos to about two gallons of gasoline a day and none on Sundays.

In London, Stanley Evans, a Laborite member of Parliament who rebelled against his party's condemnation of the British. French invasion of Egypt, said he will resign his seat. The party has asked his resignation, Evans said, and "I will comply."

If a human singer had ego, they should be reminded that a wood thrush can sing four notes at once and a blue jay can sing a major chord.

## FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug counter.

## Lyons Again Denies Slaying In Cincinnati

CINCINNATI (AP)—Robert V. Lyons denied again today, this time under lengthy cross examination, that he stabbed Mrs. Audrey Evers Pugh to death in her fashionable home here last April 11.

Lyons, a 43-year-old former city waterworks meter reader, is on trial on a charge of first degree murder in the slaying of the attractive socialite. A statement in which he admitted the slaying has been introduced into evidence but Lyons since has repudiated it.

On direct examination Monday, Lyons said, "I did not stab Audrey Pugh."

He repeated that denial today, declaring he saw only the top of Mrs. Pugh's head when he went to her home to read the water meter. Lyons said he repeatedly denied to police questioners that he killed the woman, wife of a wealthy printing firm executive.

But he said he finally signed a statement admitting the knife killing after lengthy questioning in which he was told the statement meant the difference between "going to the chair or saving my life."

Lyons said, "I hadn't killed Mrs. Pugh. But I had no alternative." He said police told him they had enough evidence to convict him.

He also stated that an assistant prosecuting attorney "promised" that Lyons, upon pleading guilty, would "be sent to a VA hospital for awhile and then everything would be forgotten."

## French Deny Fliers Aid Israel Attack

LONDON (AP)—The Manchester Guardian asserted today that "French aircraft flown by French pilots in French uniform" took part in Israel's invasion of Egypt.

A French Defense Ministry spokesman in Paris "most emphatically" denied the report. "This is absolutely untrue," he said. "Not a single French pilot, whether in uniform or not, did take part in the Israeli offensive or did fly planes from Israeli bases."

## Ohio Jail Escapee Held in Indiana

RICHMOND, Ind. (AP)—A youth who told police he escaped from the Morrow County (Ohio) jail after picking his cell lock with a coat hanger, agreed Monday to return voluntarily.

Officers said Lester W. Nuce, 19, of Troy, Calif., was arrested by two patrolmen as he sought to thumb a ride through the city. He was captured after a brief chase. Police said he escaped while the jail turnkey was asleep. He was held in the Ohio jail on auto theft charges, officers said.

IT'S SO EASY TO PLACE A WANT AD.

## Mainly About People

Mrs. Edward Cobb, who was injured in a traffic accident in California, a few days ago, is a patient in Hawthorne Community Hospital, 711 N. Greville St., in Hawthorne, California, where she will be confined for the coming two weeks. She is being treated for a fractured ankle.

Pamela Kay Elliott, infant daughter of Mr. and Mrs. Edwin Elliott, Route 4, has been returned from Children's Hospital, Columbus, where she was a patient for observation and treatment.

## Special Services

(Continued from Page One)  
come 45 minutes later than the daily Mass, regularly held at 7:15 o'clock, Father Connelly reminded.

EXPRESSIONS of gratitude for God's goodness will feature the Thanksgiving service at the First Church of Christ, Scientist, at 11 a. m. Thanksgiving Day.

The voluntary testimonies from the congregation will include gratitude for spiritual growth, physical healings and other blessings.

A Lesson - Sermon for the day entitled "Thanksgiving" will emphasize the importance of living one's gratitude to God.

## Hoover Contends He Was Right in Opposing War II

CHICAGO (AP)—Former President Herbert Hoover says he has "no regrets" for a stand he took in 1941 opposing United States involvement in World War II.

Hoover, now 82, spoke Monday night at a dinner in connection with the dedication of a new boys' club. In his speech of June 29, 1941, he said that Britain was "now safe from German invasion due to Hitler's diversion to his attack upon Russia."

"I said the gargantuan jest of all history would be if we should give aid to Stalin in the war," Hoover said. "I said the result would be to spread communism over the world."

"I urged that we stand aside while these two monsters exhausted each other; that if we stood aside the time would come when we could, by our strength, bring lasting peace to the world."

## New Telephone Firm Chieftain Selected

MARION (AP)—The Ohio Consolidated Telephone Co. today announced the appointment of Charles A. Bowen of Marion as manager of the central division which covers the Circleville and Wilmington area. He has been southern division manager.

## PUCO May Probe Rate Setup Of Struck Telephone Firm

COLUMBUS (AP)—The Public Utilities Commission of Ohio will seriously consider launching its own investigation of the fairness of rates Ohio Consolidated Telephone Co. has been charging since a strike began July 15.

That was announced today by the commission chairman, Robert Moulton, at a public hearing on rates in Jefferson County.

The Yorkville-Tiltonsville - Rayland Board of Trade believes rate charges are too high for the service rendered.

Attorney Hugo Alexander of Steubenville, representing the board, today suggested PUCO investigate charges throughout the company's 39 exchanges.

Alexander is not the only lawyer sharply critical of Ohio Consolidated.

## City Loses 2nd Round in Pinball Fight

COLUMBUS (AP)—City officials lost their second round in a fight against pinball machines Monday when Common Pleas Judge Robert N. Draper ruled an ordinance too prohibitory.

Ordinances banning possession of pinball machines in public places and businesses were to have taken effect last June 14. But Judge Draper granted temporary restraining order to pinball machine owners at that time.

The order was challenged on legal grounds by the city attorney's office.

In Monday's opinion, Judge Draper said the existing ordinance "tends to prohibit the exhibition of pinball machines anywhere except in private homes."

He said that "certainly there would not be a sufficient demand for pinball machines in a private home to allow operators of them to continue in business."

Earlier, Common Pleas Judge Dana F. Reynolds had ruled other pinball ordinances prohibitive rather than regulatory. He suggested the city change the laws.

## Vincent Released By Milwaukee

MILWAUKEE (AP)—Harold S. Vincent, superintendent of schools here, has been released from his contract by unanimous vote of the Milwaukee School Board so he can become Ohio's state superintendent of public instruction.

Vincent's three-year contract with the school board normally would run until July 1, 1958. But the board held a special 15-minute meeting Monday and granted his request that the contract terminate June 30, 1957. Vincent plans to assume the Ohio post the following day.

# 200 Attend Boosters' Annual Grid Banquet For Lion Team Members

The fifth annual Booster Football Banquet at the American Legion Hall Monday night was a smashing success, thanks to the quick wit of the Rev. Fr. Richard J. Connelly, an entertaining speaker by grid star Curly Morrison, and an hour-long description of Lion players, by Washington High School Head Coach Fred Domenico.

Some 200 guests were present — WHS players, fans, cheerleaders, coaches and their wives, and parents, Willard McLean, Booster president, opened the meeting by describing the work of the Boosters.

The Rev. W. Neil Hand delivered the invocation and gave a brief talk later in the program.

The toastmaster, Father Connelly, after a witty and entertaining prelude, introduced Morrison, who is a star back for the Cleveland Browns, and a personal friend of the toastmaster.

MORRISON recalled his experiences in the 19 years he has been playing in organized football. He told the gathering that he enjoys the game as much today as he did in high school, if not more, and also gave some insights on his teammates.

Mrs. Morrison was introduced along with the wives of the Blue Lions' coaches. They received corsages.

Coach Fred Domenico introduced each of his players and managers and described their contributions to the season. The coach had praise for all, and a little facetious needling for some. He also announced the 1957 captain and co-captain as chosen by a voter of the players. Roger McLean, star halfback, will captain in the squad, while defensive stand-out, Jim Wilson, will serve as co-captain. Both boys have been named to the all-SCO team, and both will be seniors next year.

**OLD-FASHIONED**  
but Quick and Easy,  
**MAPLE WALNUT CAKE**  
made with CLABBER GIRL!

**Yield: 2—8-inch round layers**

2 cups sifted cake flour  
3 teaspoons Clabber Girl Baking Powder  
1 ¼ cups sugar  
¾ teaspoon salt  
½ cup shortening  
½ cup milk

1 ½ teaspoon imitation maple flavoring  
2 eggs  
¾ cup milk  
½ cup finely chopped walnut meats

Sift together flour, Baking Powder, sugar, and salt into a large mixing bowl. Add shortening, ½ cup milk, and flavoring. Beat 2 minutes using medium speed of electric mixer, or by hand using 150 strokes per minute. Keep batter scraped from sides and bottom of bowl with rubber spatula. Add eggs and ¾ cup milk. Beat 2 minutes longer as before. Fold in nut meats. Pour equal amounts of batter into 2 greased and floured 8 x 1½-inch round layer cake pans. Bake in a 375° F. (moderate) oven about 25 minutes. Cool. Frost with desired frosting.

Do-It-Yourself...

Remember, it's the fresh ingredients in your home-baked recipe that make things taste better; stay fresh longer.

## Junior Fair Board Begins Year's Work

Getting acquainted with their responsibilities and functions was the principal order of business at a meeting of Junior Fair Board members held Monday evening in the Extension office.

This was the first meeting for the new members elected in the fall to succeed older members going off the board.

Alan Wilt, president, opened the meeting and gave a brief history of the inception of the Junior Fair Board. He reported that the idea started to take shape in the fall of 1954 and that the first official meeting was held in the spring of 1955. Only two members remain from the original group, Barbara Sue Kneisley and Gene Gustin, who this year were reelected to two-year terms.

SOME TIME was spent in reviewing the 1956 operation, with Gustin reporting on the agricultural work and a round table discussion involving the homemaking activity at the Fair last year.

Phil Grover, associate county agent, challenged the group to do as good a job in the coming year as was done by the board last year. Grover stated that being elected a Junior Fair Board member is an honor as well as being a responsibility. He continued by saying "What you do as an individual and as a group will be more important than just the fact that you are on the board."

The Junior Fair operation includes the making of policy and handling approximately \$3,000. Grover concluded by saying that "How well you carry out the responsibilities will be reflected upon you, the Junior Fair Board, and the organization you represent."

Juan Ramon Jimenez, the 74-year-old Spanish poet who won the 1956 Nobel Prize in literature, has lived in the United States and Puerto Rico since he fled Spain in 1936.

### Wage Hearing Held

COLUMBUS (AP)—The Ohio Department of Industrial Relations conducted a hearing Monday on whether wage minimums for women and minors in restaurant work should be increased. Action based on the hearing will be taken in 10 days.

READ THE CLASSIFIED ADS

Russell, as well as volunteer coach, Bob Alkire, received awards from the Boosters in the form of checks which were in lieu of the customary gifts.

Filbin also gave a brief talk. John Trace, WHS principal, thanked the Boosters for the work they have done in supporting the team.

The banquet was organized by Booster officers who are Willard McLean, president, Emery Lynch, vice president, and Ed Peters, secretary-treasurer.

The event lasted more than three hours, and was to be followed by the showing of films of the Circleville game. However, the projector broke down, and the films will be shown at the next Booster meeting Nov. 28. It also was announced that plans for "pony football" will be discussed at the next meeting, at the Gardner Park Field House.

Included in the meal, which featured baked ham, were individual servings of ice cream, molded into the shape of footballs.

The dinner was prepared by the ladies of the American Legion Auxiliary and was served by Legion members.

## Girl Scout Troop To Meet Tuesday

When Girl Scouts of Troop 38 meet at the home of their leader, Mrs. Millicent Calliman, 422 Lewis St., at 7 p. m. Tuesday they will be given a test on the Girl Scout law, slogan, promise and motto. Mrs. Calliman or the assistant leader, Miss Esther Walter, will give the test.

The Girl Scout handbook was studied at last week's meeting. Reports of Jill Evans, treasurer, and Dixie Mabry, secretary, are to be made at this week's session. Lorraine Turner, the president, will be in charge.

Refreshments are to be served by Roxie Cassell and Jennifer Lee. Last week the hostesses were Sherry Lynn Beatty and Roxie Calliman.

All meetings are closed with the Friendship Circle.

**OLD-FASHIONED**  
*but Quick and Easy.*  
**MAPLE WALNUT CAKE**  
made with CLABBER GIRL

**Yield: 2—8-inch round layers**

2 cups sifted cake flour  
3 teaspoons Clabber Girl Baking Powder  
1 ¼ cups sugar  
¼ teaspoon salt  
¼ cup shortening  
¼ cup milk

¼ teaspoon imitation maple flavoring  
2 eggs  
¼ cup milk  
¼ cup finely chopped walnut meats

Sift together flour, Baking Powder, sugar, and salt into a large mixing bowl. Add shortening, ¼ cup milk, and flavoring. Beat 2 minutes using medium speed of electric mixer, or by hand using 150 strokes per minute. Keep batter scraped from sides and bottom of bowl with rubber spatula. Add eggs and ¼ cup milk. Beat 2 minutes longer as before. Fold in nut meats. Pour equal amounts of batter into 2 greased and floured 8 x 1½-inch round layer cake pans. Bake in a 375° F. (moderate) oven about 25 minutes. Cool. Frost with desired frosting.

Do-It-Yourself...

Remember, it's the fresh ingredients in your home-baked recipe that make things taste better; stay fresh longer.

## William Burris, New Holland, Dies

William Burris, 92, a resident of the New Holland community for 50 years, died at 3:30 p. m. Monday in the Diehl Rest Home, Chillicothe, where he had been a patient since June.

Mr. Burris, a retired barber, was born in Madison County, near London. Never married, he is survived by several nieces and nephews.

Services will be at 2 p. m. Wednesday in the Kirkpatrick Funeral Home, New Holland, with the Rev. Glenn Robinson, pastor of the New Holland Methodist Church, officiating. Burial will be in Washington Cemetery.

Friends may call at the funeral home after 6 p. m. Tuesday.

## Junior Fair Board Begins Year's Work

Getting acquainted with their responsibilities and functions was the principal order of business at a meeting of Junior Fair Board members held Monday evening in the Extension office.

This was the first meeting for the new members elected in the fall to succeed older members going off the board.

Alan Wilt, president, opened the meeting and gave a brief history of the inception of the Junior Fair Board. He reported that the idea started to take shape in the fall of 1954 and that the first official meeting was held in the spring of 1955. Only two members remain from the original group, Barbara Sue Kneisley and Gene Gustin, who this year were reelected to two-year terms.

SOME TIME was spent in reviewing the 1956 operation, with Gustin reporting on the agricultural work and a round table discussion involving the homemaking activity at the Fair last year.

Phil Grover, associate county agent, challenged the group to do as good a job in the coming year as was done by the board last year. Grover stated that being elected a Junior Fair Board member is an honor as well as being a responsibility. He continued by saying "What you do as an individual and as a group will be more important than just the fact that you are on the board."

The Junior Fair operation includes the making of policy and handling approximately \$3,000. Grover concluded by saying that "How well you carry out the responsibilities will be reflected upon you, the Junior Fair Board, and the organization you represent."

Juan Ramon Jimenez, the 74-year-old Spanish poet who won the 1956 Nobel Prize in literature, has lived in the United States and Puerto Rico since he fled Spain in 1936.

## Our Nation May Soon Face Its Greatest Test

With recent election matters now rapidly fading from public attention in this country, they are being replaced with our general concern over grave international troubles which everyone is hoping will not again involve our nation.

Unless these trouble spots in central Europe and the Middle East do reach complications which force our country into war, the economic outlook for the United States is excellent if we are to judge by the result of the recent elections which passed upon local issues as well as candidates.

At the Nov. 6 elections approximately 95 per cent of the bond proposal placed before the voters were victorious. The total amount of these bonds will run to an estimated two billion, three hundred million dollars. Only \$147 millions were rejected.

No stronger evidence can be found that the people who must foot the bills for these projects expect to have the money to pay for them. Such indicators are better in the long run than the stock market where speculation has an opportunity to "discount" advances or to anticipate losses.

A huge majority of the people of the United States are practically betting continued prosperity. Confidence of this type, as recently expressed by the voters, is usually sure of engendering new confidence.

Citizens pursuing the amazing variety of occupations which have made our country the greatest free nation of world history, are dismissing the 1956 elections from mind, except for historical analysis, and are following the theory that we are all Americans; that the traditions of American politics remain unshaken.

However tasks ahead are certain to test our mettle. Revolutionary currents are moving even more rapidly than most of us may have believed. Try as they may, the

Soviet masters of Central Europe are finding it difficult to repress those whom they have enslaved. So long as freedom persists in great nations like our own, those who are compelled to endure the yoke of Communist domination unwillingly will always know that freedom is attainable.

We are to see soon one of the greatest tests of international cooperation in history, one which may determine the future of the United Nations.

In the Middle East, two great powers, England and France, also another small nation, Israel which was created by act of the UN itself, have been called upon to yield to the organized publicly expressed will of the international organization.

If they do—and they have given evidence that they will cooperate, a great landmark in world history will be reached. If they positively refuse, the prestige of the UN might become irreparably damaged.

And one other great power, Russia, will have to show whether she is willing to submit to UN efforts to avoid another World War. If she takes an attitude that she prefers war rather than efforts to settle the international problems involved, no one can prophesy what may happen. It is certain however, that Russia will lose respect of the world, even of some of those nations now friendly toward her.

In this crisis, the ever-present danger of all-out atomic warfare and World War III are definitely before us. There are a few hopeful signs that all the parties understand the threat. Here is an occasion when self-restraint by those who have seized the initiative can establish a new pattern for future world relationships. If the UN can order—and enforce—peace after the opening of hostilities, the possibilities of saving the world from a holocaust such as never before known, may be avoided on this planet.

## Turks Invented Cigarettes

By Hal Boyle

NEW YORK (AP)—Odd items a columnist might never pick up if he didn't read his mail:

That although Indians in Cuba were blowing cigar and pipe smoke in each others faces centuries before Christopher Columbus arrived, the first cigarettes were made in Turkey in the 18th century.

That the pocket gopher is one of the few animals aside from politicians that can run backward as quickly and easily as they can go forward.

That the odds are 5 to 1 you aren't keeping a single New Year's resolution you made only Jan. 1.

That there are now 20 million fishermen in America, and at this rate the country soon will have more liars than it does fish.

That the three most crowded lands on the globe are the Netherlands, Belgium and Japan. The Japanese population, now 90 million, has increased a spectacular 18 million since the end of the World War II.

That if every oil well suddenly went dry there is enough coal in America to heat its homes for 1,000 years.

That one of every 10,000 persons suffers from hemophilia, a disease marked by profuse bleeding from even slight injuries.

That although hemophilia often is called "the curse of the Hapsburgs," it actually was spread through Europe's royal families by descendants of Queen Victoria, who inherited it from her father.

That, however, since the dis-

ease skipped Queen Victoria's eldest son, Edward VII. (and once the chain is broken it stays broken), none of Britain's present royal family is a "bleeder."

That if, as it critics say, radio is "deader than vaudeville," why are more home radios still being sold than television sets?

That U. S. ranch minks now get more vitamins in their diet than the average human does. If we ate more vitamins and grew more fur, maybe minks would want to start wearing people to keep warm.

That a Harvard sociologist has found the human race engaged in 967 important wars and 1,622 revolutions and major disturbances between 500 BC and 1925. Since 1925 we all know how peaceful things have been.

## The Skilled Labor Market

By George Sokolsky

Why are there currently astonishing shortages of skilled professionals such as school teachers, nurses, office workers, etc.?

There has been an enormous increase in our population, but it is difficult in our larger cities to find household help and many of those who say they can be stenographers and typists need first to learn how to spell or even to answer the telephone with the courtesy normal to those who are not frightened by a strange voice.

A city like New York has a difficult time getting teachers, not only good teachers, but any kind of teachers, anyone with a qualification. I was minded of that by a sentence in an address by the president of the Board of Education, Charles H. Silver, about the parochial schools of this city which provide for approximately 350,000 children. Silver said that if the city school system had to absorb these children, it would have to hire "13,000 more teachers and supervisors, if we could find them."

It is the phrase, "if we could find them" that is so startling because that seems to be the universal voice of despair. Of course, the federal government employs about 2,300,000 persons, many of whom could be dispensed with, according to the reports of the Hoover commission.

In economic terms, this means that the labor market for white collar workers is tightened sufficiently to create a shortage, to lift wages somewhat, to increase the use of mechanical devices and to force the acceptance of careless work.

I recently received a letter from the bank, an institution where the correct spelling of names may be very important, nevertheless throughout this let-

ter my name was spelled incorrectly. If I questioned the girl's boss, he would only say, "where can you find careful girls these days?" Of course, they are to be found among the women over 40 who have not been corrupted by the easy ways of inflated living.

Another factor in this situation is the development of new forms of earning a living. Modelling, for instance, has been expanded into a major form of employment for women and many girls who might have been teachers or nurses or stenographers, find the compensation higher, the work more intriguing and the opportunities for personal advancement greater in modelling than in other trades. The public usually only knows of models who become celebrities in the night club sense, but many of these girls are in this business not to advertise themselves but to earn a living.

Television is making a place for a more limited number of women-workers, some of whom become announcers because they can pronounce words inoffensively. These enunciators are very well paid and have the additional advantage of being able to project their personalities. Such girls might be excellent teachers but probably at a tenth of the wages they now receive.

At any rate, there are so many ways of earning a living these days that the usual professions prove less attractive than they did two generations ago. From a social standpoint, however, the new professions are of little value whereas teachers, nurses, stenographers, etc., are essential to our lives and our welfare.

The difficulty is that the law of demand and supply does not work in these fields. Teachers are wanted and needed, but their wages remain low because it comes out of the taxpayer's pocket and he is already taxed beyond endurance. So he takes the second best and even worse rather than increase taxes.

As regards office help, too much preparation is required—and costly preparation—for just ordinary jobs to be attractive and a girl who has spent four years at a college, even if she never learned anything, which is a possibility, regards herself as superior and deserving of high pay.

Certainly, if a girl has had to spend four years to become a nurse, two years at college and two years of training, she feels that she is entitled to commensurate compensation even if she is no improvement on the old-fashioned nurse who only spent two years as nurse's training and the rest of her life learning a difficult profession.

If we ever get a 30-hour week for professionals, the shortage will be so acute that we shall have to import help from other countries, as we are actually importing nurses, when we can get them, from Canada.

(Copyright, 1956 King Features Syndicate, Inc.)

## Grab Bag

### The Answer Quick

1. What famous bell tower (or campanile) fell in 1902 and was rebuilt?
2. Can you give the name of a German dirigible expert who died of burns in 1937 in the Hindenburg disaster?
3. Who, in a nursery rhyme, "Kissed the girls and made them cry"?
4. Who was the author of the hymn O For a Closer Walk With God?

### Your Future

Courage and foresight should bring you a happy and fortunate year in this era of mixed influences. Today's child may be a mixture of impulse, hopes and fears, and should be taught early a sense of balance and how to relax.

### Watch Your Language

ABASH — (a-BASH) — verb transitive; to destroy the self-possession of; to confuse or confound; disconcert; discomfit. Synonyms — humiliate, mortify, shame. Origin: Old French—Eshahir, from Latin — EX, out, plus bah, interjection of astonishment.

### How'd You Make Out

1. That of St. Marks' cathedral in Venice.
2. Capt. Ernst August Lehmann.
3. Georgie Porgie.
4. William Cowper.

## So-o-o RESTFUL

... with an  
ELECTRIC BLANKET!

People who have 'em say, "It's so nice to get into a bed that's already warm!" And we hear comments of, "... warm as toast!"—and "... so nice not to have my feet weighted down any more!"—and, "I never knew before how restful sleep could be!" It's hard to describe that wonderful feeling. You'll just have to try it for yourself.

Stop in at your dealer's and see the lovely colors in electric blankets and comforters. Ask to see the separate electric sheets, too. Here's comfort fit for a king—but priced for a budget!

Citizens pursuing the amazing variety of occupations which have made our country the greatest free nation of world history, are dismissing the 1956 elections from mind, except for historical analysis, and are following the theory that we are all Americans; that the traditions of American politics remain unshaken.

However tasks ahead are certain to test our mettle. Revolutionary currents are moving even more rapidly than most of us may have believed. Try as they may, the

Soviet masters of Central Europe are finding it difficult to repress those whom they have enslaved. So long as freedom persists in great nations like our own, those who are compelled to endure the yoke of Communist domination unwillingly will always know that freedom is attainable.

We are to see soon one of the greatest tests of international cooperation in history, one which may determine the future of the United Nations.

In the Middle East, two great powers, England and France, also another small nation, Israel which was created by act of the UN itself, have been called upon to yield to the organized publicly expressed will of the international organization.

If they do—and they have given evidence that they will cooperate, a great landmark in world history will be reached. If they positively refuse, the prestige of the UN might become irreparably damaged.

And one other great power, Russia, will have to show whether she is willing to submit to UN efforts to avoid another World War. If she takes an attitude that she prefers war rather than efforts to settle the international problems involved, no one can prophesy what may happen. It is certain however, that Russia will lose respect of the world, even of some of those nations now friendly toward her.

In this crisis, the ever-present danger of all-out atomic warfare and World War III are definitely before us. There are hopeful signs that all the parties understand the threat. Here is an occasion when self-restraint by those who have seized the initiative can establish a new pattern for future world relationships. If the UN can order—and enforce—peace after the opening of hostilities, the possibilities of saving the world from a holocaust such as never before known, may be avoided on this planet.

Turks Invented Cigarettes

NEW YORK (AP)—Odd items a columnist might never pick up if he didn't read his mail:

That although Indians in Cuba were blowing cigar and pipe smoke in each others faces centuries before Christopher Columbus arrived, the first cigarettes were made in Turkey in the 18th century.

That the pocket gopher is one of the few animals aside from politicians that can run backward as quickly and easily as they can go forward.

That the odds are 5 to 1 you aren't keeping a single New Year's resolution you made only Jan. 1.

That there are now 20 million fishermen in America, and at this rate the country soon will have more liars than it does fish.

That the three most crowded lands on the globe are the Netherlands, Belgium and Japan. The Japanese population, now 90 million, has increased a spectacular 18 million since the end of the World War II.

That if every oil well suddenly went dry there is enough coal in America to heat its homes for 1,000 years.

That one of every 10,000 persons suffers from hemophilia, a disease marked by profuse bleeding from even slight injuries.

That although hemophilia often is called "the curse of the Hapsburgs," it actually was spread through Europe's royal families by descendants of Queen Victoria, who inherited it from her father.

That, however, since the dis-

ease skipped Queen Victoria's eldest son, Edward VII. (and once the chain is broken it stays broken), none of Britain's present royal family is a "bleeder."

That if, as its critics say, radio is "deader than vaudeville," why are more home radios still being sold than television sets?

That U. S. ranch minks now get more vitamins in their diet than the average human does. If we ate more vitamins and grew more fur, maybe minks would want to start wearing people to keep warm.

That a Harvard sociologist has found the human race engaged in 967 important wars and 1,622 revolutions and major disturbances between 500 BC and 1925. Since 1925 we all know how peaceful things have been.

By Hal Boyle

The Skilled Labor Market

Why are there currently astonishing shortages of skilled professionals such as school teachers, nurses, office workers, etc.?

There has been an enormous increase in our population, but it is difficult in our larger cities to find household help and many of those who say they can be stenographers and typists need first to learn how to spell or even to answer the telephone with the courtesy normal to those who are not frightened by a strange voice.

A city like New York has a difficult time getting teachers, not only good teachers, but any kind of teachers, anyone with a qualification. I was minded of that by a sentence in an address by the president of the Board of Education, Charles H. Silver, about the parochial schools of this city which provide for approximately 350,000 children. Silver said that if the city school system had to absorb these children, it would have to hire "13,000 more teachers and supervisors, if we could find them."

It is the phrase, "if we could find them" that is so startling because that seems to be the universal voice of despair. Of course, the federal government employs about 2,300,000 persons, many of whom could be dispensed with, according to the reports of the Hoover commission.

In economic terms, this means that the labor market for white collar workers is tightened sufficiently to create a shortage, to lift wages somewhat, to increase the use of mechanical devices and to force the acceptance of careless work.

I recently received a letter from the bank, an institution where the correct spelling of names may be very important; nevertheless throughout this let-

ter my name was spelled incorrectly. If I questioned the girl's boss, he would only say, "where can you find careful girls these days?" Of course, they are to be found among the women over 40 who have not been corrupted by the easy ways of inflated living.

Another factor in this situation is the development of new forms of earning a living. Modelling, for instance, has been expanded into a major form of employment for women and many girls who might have been teachers or nurses or stenographers, find the compensation higher, the work more intriguing and the opportunities for personal advancement greater in modelling than in other trades. The public usually only knows of models who become celebrities in the night club scene, but many of these girls are in this business not to advertise themselves but to earn a living.

Television is making a place for a more limited number of women-workers, some of whom become announcers because they can pronounce words inoffensively. These enunciators are very well paid and have the additional advantage of being able to project their personalities. Such girls might be excellent teachers but probably at a tenth of the wages they now receive.

At any rate, there are so many ways of earning a living these days that the usual professions prove less attractive than they did two generations ago. From a social standpoint, however, the new professions are of little value whereas teachers, nurses, stenographers, etc., are essential to our lives and our welfare.

The difficulty is that the law of demand and supply does not work in these fields. Teachers are wanted and needed, but their wages remain low because it comes out of the taxpayer's pocket and he is already taxed beyond endurance. So he takes the second best and even worse rather than increase taxes.

As regards office help, too much preparation is required—and costly preparation—for just ordinary jobs to be attractive and a girl who has spent four years at a college, even if she never learned anything, which is a possibility, regards herself as superior and deserving of high pay.

By George Sokolsky

Certainly, if a girl has had to spend four years to become a nurse, two years at college and two years of training, she feels that she is entitled to commensurate compensation even if she is no improvement on the old-fashioned nurse who only spent two years as nurse's training and the rest of her life learning a difficult profession.

If we ever get a 30-hour week for professionals, the shortage will be so acute that we shall have to import help from other countries, as we are actually importing nurses, when we can get them, from Canada.

Grab Bag

The Answer Quick

1. What famous bell tower (or campanile) fell in 1902 and was rebuilt?
2. Can you give the name of a German dirigible expert who died of burns in 1937 in the Hindenburg disaster?
3. Who, in a nursery rhyme, "Kissed the girls and made them cry"?
4. Who was the author of the hymn O For a Closer Walk With God?

Your Future

Courage and foresight should bring you a happy and fortunate year in this era of mixed influences. Today's child may be a mixture of impulse, hopes and fears, and should be taught early a sense of balance and how to relax.

Watch Your Language

ABASH — (a-BASH) — verb transitive; to destroy the self-possession of; to confuse or found; to disconcert; to discomfit. Synonyms — humiliate, mortify, shame. Origin: Old French—Esbahir, from Latin — Ex, out, plus bah, interjection of astonishment.

How'd You Make Out

1. That of St. Marks' cathedral in Venice.
2. Capt. Ernst August Lehmann.
3. Georgie Porgie.
4. William Cowper.

So-o-o RESTFUL ... with an ELECTRIC BLANKET!

A perfect Christmas gift!

People who have 'em say, "It's so nice to get into a bed that's already warm!" And we hear comments of, "... warm as toast!"—and "... so nice not to have my feet weighed down any more"—and, "I never knew before how restful sleep could be!" It's hard to describe that wonderful feeling. You'll just have to try it for yourself.

Stop in at your dealer's and see the lovely colors in electric blankets and comforters. Ask to see the separate electric sheets, too. Here's comfort fit for a king—but priced for a budget!

# Round about Fayette County

By B. E. KELLEY

Since I started in newspaper work here I have "built" no less than three electric, or interurban railroad lines for Washington C. H. and the county.

That was soon after the turn of the century, and prior to "building" the three projected lines, which never materialized, two others were launched before my time.

One of the first lines was projected between Cincinnati and Columbus, by way of Hillsboro, and ties and even rails were purchased for the road. It was built from Cincinnati to Hillsboro.

It seems the promoters realized the proposal would take a great deal more money than they had available, and employed a local attorney to bring suit against them (the Interurban Co.) enjoining them from laying ties and rails in the streets of the city. That ended the project.

A grade had been run northeast of the city paralleling the Columbus Rd., and this grade may still be seen just beyond the bridge over the North Fork of Paint Creek.

I remember seeing ties scattered along the Jeffersonville road for an interurban line to operate between Washington C. H. and Springfield. That proposal ended with the road being built to South Charleston, and later for years it was owned and operated by George W. Baker, of Washington C. H., father of Damon Baker. I rode on his traction line once from South Charleston to Springfield, as a guest.

George W. Baker decided to extend his line (known as the Springfield, South Charleston and Washington C. H.) to this city from South Charleston, but was enjoined by the Pennsylvania Railroad from crossing that road at South Charleston. A few years later he disposed of his line and it was abandoned.

Then a promoter named J. N. Carswell, who was backed by Henry Hildebrandt, local businessman, obtained a right-of-way over part of a projected line from Cincinnati to Columbus by way of Wilmington.

I was his guest at a big dinner meeting held in Wilmington when an English banker met the party with a view to financing the project, but he turned it down. That ended the Carswell line.

Another proposal was to extend the interurban line from which operated between Cincinnati and Hillsboro, to Washington C. H. and possibly to Columbus.

A local man, Charles Soffars, was interested in the venture, but it also fell through, and the dream of an electric railroad for Washington C. H., ended forever.

A half century ago the state was a network of interurban lines, but coming of the automobile wiped out one after another until today not a single interurban line exists in the state.

**TO REPAIR OVERPASS**  
Starting Nov. 26, the bridge crew of the Pennsylvania Railroad Co. will have a crew at work

repairing and strengthening the only structure over railroads in the county.

The wooden bridge spans the B&O and Pennsylvania railroads on Miami Trace Rd., at Glendon, six miles west of this city, and County Engineer Charles Wagner has agreed to a request to close the road at that point while the remodeling is under way.

Last spring the B&O strengthened the north end of the span over the B&O tracks, and when the new work is done, the overhead bridge will be in better condition than it has been in recent years.

**SPITE FENCES**  
"Spite Fences" are little heard of any more, but in the earlier days, not only in Fayette County, but in the state generally, such fences and "devil's lanes" were not uncommon.

In those days, with surveys none too accurate, it was an easy matter for farm lines as well as city property lines to be in question, and caused much contention between the property owners.

Around 80 years or more ago an alteration over property lines and the kind of fences to be built—and where—resulted in two property owners residing northwest of Eber, each building a rail fence, with a few feet of ground between them and the narrow strip, which grew up with weeds and brush, was known as "Devil's Lane." It was in existence for many years until one or both of the parties, involved, passed on. Their descendants adjusted the matter amicably and chided

the devil out of the lane, so to speak.

One story handed down in connection with this particular "devil's lane" was to the effect that one day a fence rail was discovered on the ground in the lane between the two fences, and both landowners saw it and claimed it.

A tug of war resulted with each one pulling at the fence rail, until one of the men realized he was about to lose the rail, so he gave it a shove and rail and the other man went to the ground.

"Take it! I did not want it anyhow; the loser shouted as he climbed back out of the "devil's lane." At least, so the story goes.

**BEST PAVED CITY**  
Recently the mayor of Jackson, after visiting here, was quoted as saying that Washington C. H. has the best streets, taken as a whole, of any city this size he has ever been in.

I can also state that, with recent completion of the \$54,000 resurfacing program in this city, the streets are in better condition than those of any city I know.

Much of the work of improving the streets has been done since City Manager James F. Parkinson took charge of the city's business. He has been supported by Council in his program which will result in approximately \$100,000 being expended this year in major improvements.

That reminds me, that when the city manager form of government was launched here some 20 years ago, the city's affairs were at low ebb, and the municipality owed huge bills for water hydrant rental

and for street lights. The city's economic condition, generally, was deplorable.

In fact total receipts from the mayor's office for the last year under the mayor form of government were under \$500, or less than what is sometimes taken in by the Municipal Court in a single day.

The full name of Queen Frederika of Greece is Frederika Louise Thyra Victoria Margarita Sophia Olga Cecilia Isabelle, Christa, Princess of Hanover, Princess of Great Britain and Ireland, Duchess of Brunswick-Lunberg.

## U. S. Supreme Court Denies Extra Pay

WASHINGTON (AP)—The Supreme Court has decided federal employees paid on a daily basis are not entitled to an extra day's pay for each holiday they worked during World War II.

Alfred C. Bergh, a welder at

the Norfolk naval shipyard, contended he was entitled to extra pay for working on four legal holidays in 1945. Bergh was upheld by the U. S. Court of Claims here, and the Justice Department appealed to the high tribunal.

The department said the court of claims decision caused more than 70,000 similar wartime pay claims to be filed, their total amounting to \$750 million.

## He's Got Everything Except High Degree

NASHVILLE, Tenn. (AP)—Singer Pat Boone has sold seven million records and has signed \$1 million contract to make seven movies in seven years, but all he wants is a Phi Beta Kappa key.

Boone is taking 17 hours of college work (almost the maximum) at Columbia University, where he is majoring in speech. His plans are to be a teacher, or maybe "educational television."

## Builders Told Plan For Boom in '57

CINCINNATI (AP)—A Chicago real estate economist has told members of the Ohio Home Builders Assn. not to be so concerned with the tight money situation but to concentrate on building more homes in 1957.

James C. Downs Jr., predicted the money situation would improve by the middle of 1957 and

that by next June new home construction would begin to exceed comparable months of 1956.

The builder today, to be successful, must have land ahead of him; that is, he must have land available for purchase, Downs cautioned.

Recently the mayor of Jackson, after visiting here, was quoted as saying that Washington C. H. has the best streets, taken as a whole, of any city this size he has ever been in.

I can also state that, with recent completion of the \$54,000 resurfacing program in this city, the streets are in better condition than those of any city I know.

Much of the work of improving the streets has been done since City Manager James F. Parkinson took charge of the city's business. He has been supported by Council in his program which will result in approximately \$100,000 being expended this year in major improvements.

That reminds me, that when the city manager form of government was launched here some 20 years ago, the city's affairs were at low ebb, and the municipality owed huge bills for water hydrant rental

and for street lights. The city's economic condition, generally, was deplorable.

In fact total receipts from the mayor's office for the last year under the mayor form of government were under \$500, or less than what is sometimes taken in by the Municipal Court in a single day.

The full name of Queen Frederika of Greece is Frederika Louise Thyra Victoria Margarita Sophia Olga Cecilia Isabelle, Christa, Princess of Hanover, Princess of Great Britain and Ireland, Duchess of Brunswick-Lunburg.

## U. S. Supreme Court Denies Extra Pay

WASHINGTON (AP)—The Supreme Court has decided federal employees paid on a daily basis are not entitled to an extra day's pay for each holiday they worked during World War II.

Alfred C. Bergh, a welder at

the Norfolk naval shipyard, contended he was entitled to extra pay for working on four legal holidays in 1945. Bergh was upheld by the U. S. Court of Claims here, and the Justice Department appealed to the high tribunal.

The department said the court of claims decision caused more than 70,000 similar wartime pay claims to be filed, their total amounting to \$750 million.

## He's Got Everything Except High Degree

NASHVILLE, Tenn. (AP)— Singer Pat Boone has sold seven million records and has signed \$1 million contract to make seven movies in seven years, but all he wants is a Phi Beta Kappa key.

Boone is taking 17 hours of college work (almost the maximum) at Columbia University, where he is majoring in speech. His plans are to be a teacher, or maybe "educational television."

## Builders Told Plan For Boom in '57

CINCINNATI (AP)—A Chicago real estate economist has told members of the Ohio Home Builders Assn. not to be so concerned with the tight money situation but to concentrate on building more homes in 1957.

James C. Downs Jr., predicted the money situation would improve by the middle of 1957 and

that by next June new home construction would begin to exceed comparable months of 1956.

The builder today, to be successful, must have land ahead of him; that is, he must have land available for purchase, Downs cautioned.

### SATURDAY, NOVEMBER 24

Fayette Grange Booster Night at Grange Hall. Square dance. 8 p. m.

## New Officers Are Elected by Jobs Daughters

The regular meeting of Jobs Daughters held in Fayette Grange Hall Monday evening was highlighted with election of officers.

Miss Cindy Schlichter honored queen, presided at the opening ritual, and the usual reports were given and approved.

Plans were completed for square dance to be held Friday, Nov. 23, in the Bloomington High School gymnasium.

The obligation ceremony was presided over by Miss Schlichter assisted by complete corps of officers and the flowers used were later presented to Miss Jane Whiteside.

Election of officers resulted in Miss Beverly Evans being chosen as honored queen; Miss Glenn Watkins, senior princess; Miss Nancy Douglass, junior princess; Miss Virginia Milner, guide; Miss Jane Whiteside, marshal; Miss Linda Stephenson, inner guard; Miss Gayle Morrow, outer guard; Miss Paulette Pennington, treasurer; Miss Sandra Evans, recorder; Miss Betty Moberly, musician; Miss Janice Kelley, librarian; Miss Marianne Mouser, senior custodian; Miss Nancy Nessell, junior custodian; Miss Janet McConaughy, first messenger; Miss Nancy Hurt, second messenger; Miss Marcia Milner, third messenger; Miss Annalee Fry, fourth messenger, fourth messenger; Miss Sue Stephenson, fifth messenger and Miss Carol Grim, chaplain.

Plans for open installation were made for Dec. 26 in the Dayton Power and Light Auditorium and at the close of the meeting light refreshments were served by the social committee, Misses Nancy Douglas, Annalee Fry and Carol Grim.

Cut the top from an Edam cheese in a thin slice. Hollow out the cheese and mix with cooking sherry, using an electric blender. Spoon the mixture back into the shell, replace the top, and wrap tightly; refrigerate for a couple of days before serving as a spread with crackers.

If you serve every member of your family a glass of milk at each meal you'll be sure both youngsters and older folk are getting vitamins and minerals they need.

## Engagement Is Announced; December Wedding Planned

MISS MAUREEN ELIZABETH DALMAIN

Announcement is being made this week of the engagement of Miss Maureen Elizabeth Dalmain, daughter of Dr. and Mrs. Walter

## Brenda Trimmer Is Honored at Birthday Party

Mrs. Dean Trimmer entertained eleven small children Monday afternoon at a party complimenting the fourth birthday anniversary of her young daughter Brenda.

Games were conducted for the pleasure of the little tots and later their favorite dessert course was served featuring ice cream and the birthday cake in the form of a doll iced in pastel colors and favors were small toys.

Brenda opened her birthday gifts and responded sweetly. Mrs. Trimmer was assisted by Mrs. Orley Varney Jr.

Small guests invited were: Tana Varney, Robin Donohoe, Sharon and Billy Baughn, JoAnne and Danny Morris, Rickey Martindale, Ronda, Mike and David Stephens, Bobby and Kenny Goodson and Sharon Kay Trimmer, older sister of the honored guest.

Older guests were Mrs. Gene Donohoe, Mrs. James Baughn, Jr., Mrs. Clyde Martindale, Jr., and Mrs. Ronald Stephens.

6 The Record-Herald Tuesday, Nov. 20, 1956  
Washington C. H., Ohio

## Mrs. Campbell Is Hostess To Mother's Circle

Mrs. Harry Campbell was hostess at the November meeting of Mother's Circle at her home on the Jamestown Road, Monday evening with a good attendance of members present.

Mrs. Richard R. Willis, Jr., president, conducted the meeting which included the usual reports and those of standing committees with the philanthropic committee reporting the need of layette supplies which was contributed by the circle.

The finance committee reported on the Marionette Show, sponsored also the candy sale, which were most successful projects.

The business session was adjourned and Mrs. Robert Green, program chairman, presented two associate members, Mrs. Helen Dunton and Mrs. Thomas Christopher who demonstrated ideas for Christmas indoor decorations, using clever but inexpensive supplies and also outdoor suggestions of the popular door swags and explained the step by step operation as well as having several finished arrangements on display.

At the close of this interesting and timely demonstration which was most interesting as well as instructive the group enjoyed a social hour.

The hostess committee, Mrs. Dustin Gorton, chairman, and her assistants, Mrs. Jane Coffman, Mrs. Robert Green and Mrs. Richard Barger, served delicious refreshments.

## Sister Chapters Of Sorority Hold Meeting

A combined meeting of Zeta Upsilon and Xi Beta Psi chapters of Beta Sigma Phi Sorority was held Monday evening at the home of Mrs. Ray Jennings.

Mrs. John Richards, president of Zeta Upsilon Chapter led the mem-

bers in the opening ritual and during a brief business session, Mrs. Richard Snyder and Mrs. Virgil Lowe, co-chairmen announced completed plans for the Christmas Party for worthy children on Friday, Dec. 21 and members of Xi Beta Psi chapter assisting Mrs. Snyder are: Mrs. Roy Hagler, Mrs. Joe F. Loudner and Mrs. Floyd West.

Following the business meeting, Mrs. William Sheppard, displayed Christmas toys using a "Santa's Helper's" theme.

At the close of the demonstration, Mrs. Guy Briggs, Mrs. Lee Alderman and Mrs. Bill Williams, assisted Mrs. Jennings in the serving of light refreshments.

## Three Hostesses Entertain at Layette Shower

Mrs. Norman Kingery, Mrs. Norman Kneisley and Mrs. Bill Anderson combined hospitalities at the home of Mrs. Kingery, when they honored Mrs. William E. Souther Jr. at a layette shower.

Games were conducted for the pleasure of the guests and the awards won by Mrs. Howard Miller and Mrs. Kathryn Miller were in turn presented to the honored guest.

Mrs. Souther opened her lovely gifts which had been arranged in a pink and blue decorated bassinet and responded graciously.

Later refreshments of ice cream molds topped with storks holding infants were served with individual cakes carrying out the pastel theme and favors were pink and blue diapers fashioned of paraffin.

Guests included were: Mrs. Kenneth Eggleston, Mrs. Thurman Coulter, Mrs. Richard Whited, Mrs. George L. Purple, Mrs. Ken Willis, Mrs. Ralph Pollard, Mrs. Paul Keefer, Mrs. Mary Henkle, Mrs. Kathryn Morgan, Mrs. John McDaniels, Mrs. Donald Shadley, Mrs. Dana Anderson, Mrs. Glen Morton, Mrs. Tom Dowler, Mrs. Clyde McCray, Mrs. Rene Ratliff, Mrs. Albert Donahue, Mrs. Charles Cox, Mrs. Henry Litz, Mrs. George Conoway Sr., Miss Janet Ander-

## Campfire Girls Annual Ceremony Held Sunday

The annual Camp Fire Council Fire was held Sunday at 3:30 p. m. in the Dayton Power and Light Company auditorium for all Camp Fire Girls and Blue Bird groups.

The ceremony opened with the Wo-He-Lo call given by Mrs. Don Wood, Council Fire leader.

The girls responded and marched in singing "As We Come to Our Council Fire" and candles of work, Health and Love were lit by Phyllis Morgan, Judy Nell and Karen Woodmansee.

A skit entitled "Blessing The Corn Fields," from Longfellow's "Hiawatha" was given by the third grade Blue Bird Group from East Side School, with Mrs. John Bailey Jr., as leader, and those taking part were Jan Bailey, Judy Jacobs, Paddy Mahoney, Patty Morgan, Donna Piersick, Joan Smith and Pat Wolfrom.

Ranks were awarded by Mrs. Don Wood to Maureen Smith, Marcella Duncan, Sharon Smith, Mary Jo Minton and Patty McDonald, who received the Torch Bearers Rank; In the Fire Maker's Rank, Loretta Duncan, Frances Klontz, Barbara Creamer and Patty Rankin received the merits, and Penny Rankin and Carolyn Limes were awarded the Wood Gatherer's Rank.

Honor Beads earned by the girls were presented by their leaders and the Work, Health and Love candles were extinguished by Claudia Reser, Debby Crabtree and Chris Kerns.

The girls marched out singing "The Camp Fire Goodnight," with Mrs. Ralph Minton playing the accompaniment.

The Camp Fire is known as a "Red Feather" organization.

# Golden Wedding Is Celebrated

Mr. and Mrs. Harry High who celebrated their golden wedding anniversary on Sunday, welcomed 200 relatives and friends at open house between the hours of one and five o'clock, in the afternoon.

The home was decorated throughout with arrangements of yellow mums, which were the gifts of friends and they also received many other beautiful gifts which were on display. Among them a canary which was the gift of their daughter, Mrs. Elza Robinson of Dayton.

Assisting the couple in receiving the guests were Mrs. Robinson, their only daughter, a granddaughter, Mrs. Pete Damico and Mrs. High's sister, Mrs. Charles Brown.

Guests who called were from London, Springfield, Dayton, Columbus, Greenfield and Washington C. H.

# Lack of Height Major Problem For 56-57 Lion Basketball Squad

The biggest problem facing the Washington High School basketball team this season seems to be the distance between the tops of their heads and the bottom of the basket.

The loss of 6 foot 3 inches all-SCO center David Lee is going to hurt the Blue Lions, and they will have to extend themselves to make up for the lack of height.

Two of last year's starters remain, and they are expected to carry much of the load for the blue and white squad.

**DICK ENGLISH**, a 5 foot 9 inches senior letterman, who also was all-SCO last year, is being counted on for the major share of the scoring. English is fast and aggressive, hits well from the outside and with a jump shot, and handles the ball well. He'll probably be playing guard.

The other returning first-stringer is Tom Swain, a junior letterman, who rebounds well and is outstanding on defense. Swain will be at the forward position and will be counted on to make the most of his 5-foot 11-inches. However, his shooting in the past has been his weakness, and it remains to be seen if he can improve it this year.

Another returning letterman is Ron Knisley, a 5-foot 10-inches senior, who shoots well from the outside, and plays a consistent game. But Knisley is light and is handicapped under the boards. He will be counted on to share the outside shooting with English at guard.

Dan Miller, a senior letterman, was eighth man last season. He is only 5-feet 9-inches, but he makes up for his lack of height with speed. Miller drives well and should see a lot of action this year as a forward.

**A NEWCOMER** to Washington this year is a 5-foot 9-inches guard, Billy Herman, a transfer from Wayne High School where he was a letterman. Coach Herb Russell expects the plucky little junior to come in handy.

The big question is who is going to replace Lee at center. Doug Rider, a 6-foot 1-inch junior who played well with the reserves last year is battling for the position with Bob Burris, a six-footer who also played with last season's reserves and also is a junior.

Both boys lack experience as well as an inch or two that might prove necessary later on.

There is a sleeper in the crowd. Jim McWilliams is working out with the squad and trying hard for a position. McWilliams has no previous experience in organized basketball, and is sometimes at a loss amidst the fast pace. However, he has something the others don't have: 6 feet and 3 inches of it spread over a lanky frame. He also has the desire to play ball and learns quickly. McWilliams may be the boy to watch this year. If he can learn enough — and he has looked bright in spots — he can become a great asset to the Lions.

**FOUR OTHER** boys appear to be likely prospects to make the varsity. They are Floyd Southworth, a 6-foot junior, Larry Milstead, 5-feet 10-inches, who led the reserves in scoring last season, Phil Johnson, 5 feet 10 inches, a corner, and Charles Dodds, also 5 feet 10 who was on the squad last year but didn't see much action.

Several other boys have been practicing regularly, hoping to make the varsity. Coach Russell needs a scrappy team. And the players are all in there scrapping

HE'LL BE MISSED - David Lee, star center of Washington High School's 1955-56 basketball squad, is now at Central State College. He's shown here as he accepted an award for his excellent play last May.

## Newcombe Freed In Assault Case

**NEW YORK** — An assault charge against pitcher Don Newcombe of the Brooklyn Dodgers has been dismissed but the big righthander is facing a civil suit asking \$25,000 damages.

Michael Brown, an Ebbets Field parking lot attendant, claims he was punched in the stomach by Newcombe after he made a remark to the pitcher who had been knocked out of the box during the second game of the World Series.

The assault charge was dismissed by Magistrate Mat Fagan.

Immediately afterward, Newcombe was served with a summons asking monetary damages.

every afternoon, trying to be part of that team.

**TOMORROW:** How the squad is shaping up, and a look at the schedule.

## Hart Awarded TKO In Constance Bout

**NEW YORK** — Garnett (Sugar) Hart isn't quite a new Sugar Ray Robinson at this stage of his career but the 21-year-old Philadelphia welterweight is a strong candidate for Rookie of the Year honors.

Even his latest victim, Hector Constance of Trinidad, had to admit "he's a good boy" after he was stopped for the first time in his 44-bout career Monday night at St. Nicholas Arena. However, Constance and his handlers said Referee Ray Miller was more responsible for the technical knock-out in 1:49 of the 10th than Hart.

"I admit it if I am hurt," said Constance. "But in no time was I in trouble. I took pride in my record of never having been stopped. I think Miller was wrong."

North Carolina's basketball team has seven veterans, including Captain Jerry Vayda.

# Oklahoma '11' Again Voted As Top Team

**CHICAGO** — For the second time this season, Oklahoma's angry Sooners have climbed back to the top of the national football rankings with one terrific display of power after spending a week in second place.

Earlier in the season, Michigan State took over the No. 1 spot in the Associated Press Poll of sports writers for one week. Oklahoma cut loose with a crushing 40-0 victory over Notre Dame and regained the lead. Last week Tennessee had a bare two-point edge over the Sooners in the voting. The result was a 67-14 rout of hapless Missouri by Oklahoma.

Today the Sooners were back in front with a 132-point margin over Tennessee's Volunteers. It wasn't because anything happened to the Sooners either. They came through Saturday with their eighth straight victory—27-7 over defensively strong Mississippi.

Oklahoma had 111 first-place votes while Tennessee drew 69 firsts.

Iowa, knocking off Ohio State 6-0 in its big game and clinching the Rose Bowl invitation, moved into third place. Texas A&M was fourth and Georgia Tech fifth.

Michigan State, rated third last week, barely held 10th place after a 14-13 loss to Minnesota, which moved into seventh place. Miami of Florida advanced to sixth after knocking Clemson out of the unbeaten ranks and Syracuse moved up to eighth on its rout of Colgate. Iowa went up to ninth while Ohio State dropped out of the top bracket.

The Record-Herald Tuesday, Nov. 20, 1956  
Washington, C. H., Ohio

## Hayes Says OSU's String to Stand

**COLUMBUS** — Ohio State Football Coach Woody Hayes said Monday he believes the Bucks' string of 17 Big Ten wins is a record that will stand at least three years.

The string ended Saturday as Iowa defeated Ohio State 6-0.

"The best any team now has is three consecutive wins," Hayes said. "So that team would have to go into the 1959 season to tie us."

"We know our record is good for at least three years, Hayes added. "When I took up coaching I knew there would be days like that one at Iowa—even before my mother told me."

## 'Big Mo' Is Lost To Pro Browns

**CLEVELAND** — Ed "Big Mo" Modzelewski, the Cleveland Brown fullback who was hurt in Sunday's game with Philadelphia, will play no more football this season.

A medical examination showed a fracture in the fibula, a small bone in the lower leg.

The Browns said Monday that halfback Billy Kinard, on the injured reserve list since early in the season, will take Modzelewski's place on the roster. Kinard, the Browns' second choice in the 1956 draft, played college ball at Mississippi.

## Dayton Pondering Missouri League

**DAYTON** — The University of Dayton is considering joining the Missouri Valley Conference, a school spokesman says.

The Rev. Charles L. Collins, chairman of the university's athletic board, said Monday he talked last weekend with Wichita University athletic officials on policies and operations of the loop.

He said the university hopes to send a representative to a conference meeting in St. Louis next January.

# Three County Teams Have Games Tuesday

Three Fayette County basketball teams will be in action Tuesday night.

Wayne High will be looking for its first victory as they play host to Fairfield. Wayne has lost its first three games.

Madison Mills, having lost two close games in the past weeks, will take on Adams, using the Bloomingburg gym as their home court. The Madison Mills court is small, and several of their home games are scheduled on their neighbor's floor.

Bloomington's Bulldogs will make the trek to Madison South.

The Bulldogs have a .500 record, having won two of our games.

Jeffersonville, with the best record in the county, two wins and one loss, plays Wednesday night at home with Bowersville as the opposition.

Coach John Kundla of the Minneapolis Lakers figures Clyde Lovellette will be a better basketball scorer this season due to his loss of excess weight.

Ray Schalk, Hall of Fame catcher, assists Paul Hoffman in coaching the Purdue University baseball team.

# No Surprise: Canton Voted As Top Team

Fremont Is Second,  
Mansfield Third in  
Final Poll of Season

COLUMBUS, Ohio (AP)—It was a mere formality, but 57 sports editors today placed upon the brow of Canton McKinley the Ohio high school football championship crown.

The terrific Bulldogs, leaders of The Associated Press poll all season, defied anyone to take their second straight title from them by blasting Massillon 34-7 in Saturday's finale before almost 23,000 fans.

Of the 57 sports editors in the final poll, only 16 named the McKinley team to the top spot. But no one ignored the Bulldogs, and in the 10-9-8-etc voting they amassed a total of 432 poll points for a rousing 152 edge over second-placed Fremont Ross which moved around Mansfield's Tigers by two points in the final ratings.

A year ago McKinley had only a 58-point edge over Massillon for the top spot as the Bulldogs topped the seven-time champions from the throne.

Saturday's coach was the 20th straight for Coach Wade Watts' stalwarts, and marked the first time since 1934 they had been able to whip Massillon twice in a row. The 34-point total matched McKinley's entire output against the Tigers in the last seven years, and it hoisted the team to a new scoring record of 490—erasing the 11-game mark of 487 set in 1934.

As a result of winning The Associated Press poll, the Bulldogs win a second leg on the Rutgers Hall of Fame trophy. Massillon, winner of the first cup with consecutive titles in 1951, 1952 and 1953, has one leg on the new trophy, which must be won three times for permanent possession.

Only one change in top 10 personnel came in the final poll. East Liverpool's Potters, which lost to New Philadelphia 21-19 and to Steubenville Central Catholic 20-19, edged into the 10th spot with an 8-2 record. The Potters blasted Alliance 35-12 last weekend—after Massillon and Canton McKinley had been able to manufacture only two touchdowns wins over the Aviators. East Liverpool piled up 407 points during the campaign, second only to McKinley among the elite list.

Fremont Ross moved into the runner-up spot on the basis of a 42-0 win over Toledo Scott, a team which fell to McKinley by 46-0. Mansfield slipped to third despite a 23-6 win over Springfield.

Back of the three leaders were Cleveland St. Ignatus, Youngstown Ursuline, Cleveland Benedictine, Lorain, Massillon, Troy and East Liverpool.

Shown are first place votes in parentheses, poll points on a 10-9-8-etc basis and scoring records of the top 10.

Teams	Poll Pts.	Scoring
Canton McKinley (16)	432	490-64
Fremont Ross (11)	280	360-65
Mansfield (6)	278	261-105
Cleveland St. Ignatus (10)	181	245-32
Youngstown Ursuline (5)	172	284-71
Cleveland Benedictine (2)	133	305-95
Lorain (0)	122	254-85
Massillon (0)	120	237-103
Troy (1)	107	349-104
East Liverpool (4)	105	207-103

Canton McKinley, Fremont Ross and Youngstown Ursuline all have perfect 10-0-0 won-lost-tied records. Mansfield and Troy are 9-0-0. Mansfield 9-1-0, Massillon and East Liverpool 8-2-0, Lorain 7-1-1 and Cleveland Benedictine 6-2-0.

Others: East Cleveland Shaw 8-9; Toledo Wade 7-2; East Palestine (1) 7-1; Jackson (3) 6-6; Canton Lincoln and Toledo Devilbiss 4-1; Middletown (1) 4-6; Columbus North (2) 3-5; Van Wert 3-3; Cincinnati Purcell, Nelsonville, Campbell Memorial and Rutland (1) 3-2; Toledo Scott and Toledo Libbey 2-8; Bellaire St. John 2-2; Canton Timken 2-1; Mount Vernon 1-2 and New Philadelphia 1-1; Dayton Chamaine, Zanesville and Columbus St. Charles 1-1; Euclid, Hubbard and Brookfield 1-7; Youngstown South and Leetonia 1-6; Lancaster and Toledo Central Catholic 1-4; Dayton Roosevelt 1-2; Steubenville Central Catholic 1-2; Shelby, Athens and Alliance 1-0; Springfield 9-0; Navarre, Hamilton, Dayton Fairmont and Marion 8-0; Cincinnati Roger Bacon, Vandalia Butler and Ottawa Hills 7-0; Glouster and Brewster 6-0; Chaucery - Dover, Worthington, Conneaut and Newark 5-1; Lima, Olentangy and Rio Grande 4-1; Brandenburg and Springfield Catholic 3-3; Beavercreek, Hicksville and Sandy Valley 2-2; Germantown, Gallipolis, Cadiz, Carrollton, Gahanna, Hamilton Twp. (Franklin) and Goshen 1-1.

**Brundage's Purity Stand Voted Down**  
MELBOURNE (AP)—The International Olympic Committee on the eve of the opening of the 1956 games rebuffed its president, Avery Brundage, and voted down his proposal to include in the oath a promise by athletes that they intend to remain amateurs.

The action at the secret meeting in Melbourne town hall was disclosed by committee members who declined use of their names. It affirmed a previous decision of the executive committee.

## Nixon Scores Ace On Florida Course

MIAMI, Fla. (AP)—Vice President Nixon shot a hole-in-one here, something that President Eisenhower, an avid golfer, never has accomplished.

It was on a nine-hole course at the hotel where Nixon is vacationing, Nixon used a No. 8 iron and pitched into a strong wind to score his 100-yard ace. He was playing with his bodyguards.

**DAILY CRYPTOQUOTE — Here's how to work it:**  
A X Y D L B A A X R  
is LONG FELLOW  
One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

**A Cryptogram Quotation**  
W U D W G O R P, Y G U I, W U D W G  
O R P P G K, K U R O W U I—I W R D.  
Yesterday's Cryptogram: DARWINIAN MAN, THOUGH WELL-BEHAVED, AT BEST IS ONLY A MONKEY SHAVED!—GILBERT.

### Fuel Expert Dies

COLUMBUS (AP)—Edward A. Norman, 77, a director of Norman Products Co. and deputy fuel administrator of New York City during World War I, died Monday.

### Two thirds of the 90 million motor vehicles registered in the world are in the United States.

In the Probate Court of Fayette County, Ohio.

No. 4236, docket 11, page 424.  
Max Morrow, Administrator of the estate of Riley Allen, deceased, Plaintiff.  
Robert Allen et al., Defendants.

In the pursuance of the order of the Probate Court of Fayette County, I will offer for sale at public auction on the 5th day of December, 1956, at 2:00 o'clock p. m. on the premises at West Lancaster, Ohio, the following described real estate, situated in the county of Fayette, State of Ohio, and being Lots Nos. Seventeen (17) and Eighteen (18) in the village of West Lancaster. For a complete description of said premises see plat of said village of West Lancaster in the Fayette County, Ohio Recorder's Office.

Being the same premises conveyed by Robert Massie et al. to Riley Allen et al. by deed of November 8, 1926, recorded in Volume 31, page 296, Fayette County, Ohio Deed Records.

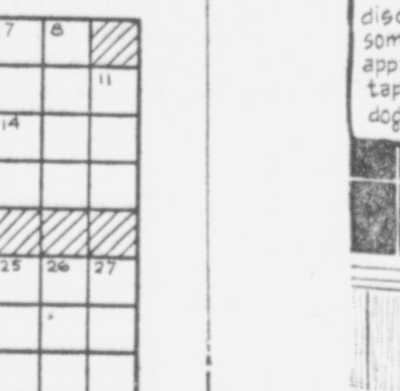

Said premises are appraised at ten hundred and thirty-three dollars (\$1,033.00) and must be sold for not less than two thirds of said appraised value and the terms are cash in full upon confirmation of sale by the Court and delivery of deed to purchasers.

MAX MORROW, Administrator of the estate of Riley Allen, deceased.  
Sale conducted by: ROBERT WEST, Auctioneer.

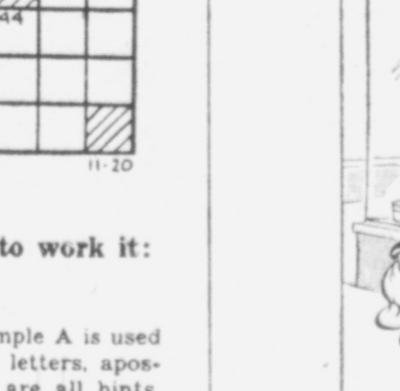

Washington C. H. Ohio  
KENNETH O. STONE  
Sabina, Ohio  
Attorney for Administrator

# No Surprise: Canton Voted As Top Team

## Fremont Is Second, Mansfield Third in Final Poll of Season

COLUMBUS, Ohio (AP)—It was a mere formality, but 57 sports editors today placed upon the brow of Canton McKinley the Ohio high school football championship crown.

The terrific Bulldogs, leaders of The Associated Press poll all season, defied anyone to take their second straight title from them by blasting Massillon 34-7 in Saturday's finale before almost 23,000 fans.

Of the 57 sports editors in the final poll, only 16 named the McKinley team to the top spot. But no one ignored the Bulldogs, and in the 10-9-8-etc voting they amassed a total of 432 poll points for a rousing 152 edge over second-place Fremont Ross which moved around Mansfield's Tigers by two points in the final ratings.

A year ago McKinley had only a 58-point edge over Massillon for the top spot as the Bulldogs topped the seven-time champions from the throne.

Saturday's win was the 20th straight for Coach Wade Watts' stalwarts, and marked the first time since 1934 they had been able to whip Massillon twice in a row. The 34-point total matched McKinley's entire output against the Tigers in the last seven years, and he hoisted the team to a new scoring record of 490—erasing the 11-game mark of 487 set in 1934.

As a result of winning The Associated Press poll, the Bulldogs won a second leg on the Rutgers Hall of Fame trophy. Massillon, winner of the first cup with consecutive titles in 1951, 1952 and 1953, has one leg on the new trophy, which must be won three times for permanent possession.

Only one change in top 10 personnel came in the final poll. East Liverpool's Potters, which lost to New Philadelphia 21-19 and to Steubenville Central Catholic 20-19, edged into the 10th spot with an 8-2 record. The Potters blasted Alliance 35-12 last weekend—after Massillon and Canton McKinley had been able to manufacture only two-touchdown wins over the Aviators. East Liverpool piled up 407 points during the campaign, second only to McKinley among the elite list.

Fremont Ross moved into the runner-up spot on the basis of a 42-0 win over Toledo Scott, a team which fell to McKinley by 46-0. Mansfield slipped to third despite a 23-6 win over Springfield.

Back of the three leaders were Cleveland St. Ignatus, Youngstown Ursuline, Cleveland Benedictine, Lorain, Massillon, Troy and East Liverpool.

Shown are first place votes in parentheses, poll points on a 10-9-8-etc basis and scoring records of the top 10.

Teams	Poll Pts.	Scoring
Canton McKinley (16)	432	490-64
Fremont Ross (11)	280	360-65
Mansfield (6)	278	261-105
Cleveland St. Ignatus (10)	181	245-32
Youngstown Ursuline (5)	172	284-71
Cleveland Benedictine (2)	133	305-95
Lorain (0)	122	254-85
Massillon (0)	120	237-83
Troy (1)	107	340-104
East Liverpool (4)	105	207-105

Canton McKinley, Fremont Ross and Youngstown Ursuline all have perfect 10-0-0 won-lost-tied records. Mansfield and Troy are 9-0-0. Mansfield 9-1-0, Massillon and East Liverpool 8-2-0, Lorain 7-1-1 and Cleveland Benedictine 6-2-0.

Others: East Cleveland Shaw 8-9; Toledo Waite 7-2; East Palestine (1) 7-1; Jackson (3) 6-6; Canton Lincoln and Toledo Devilbats 4-4; Middletown (1) 4-6; Columbus North (2) 3-5; Van Wert 3-3; Cincinnati Purcell, Nelsonville, Campbell Memorial and Rutland (1) 3-2; Toledo Scott and Toledo Liberty 2-3; Bellaire St. John 2-2; Canton Timken 2-1; Mount Vernon n and New Philadelphia 1-9; Dayton Chaminade, Zanesville and Columbus St. Charles 1-8; Euclid, Hubbard and Brookfield 1-7; Youngstown South and Leetonia 1-6; Lancaster and Toledo Catholic 1-4; Dayton Roosevelt 1-3; Steubenville Central Catholic 1-2; Shelby, Athens and Alliance 1-0; Springfield 0-9; Navarre, Hamilton, Dayton Fairmont and Marion 8-0; Cincinnati Roger Bacon, Vandalia Butler and Ottawa Hills 7-0; Glouster and Brewster 6-6; Chaucery - Dover, Worthington, Conneaut and Newark 5-5; Lima, Olentangy and Rio Grande 4-4; Brandenburg and Springfield Catholic 3-3; Beavercreek, Hicksville and Sandy Valley 2-2; Germantown, Gallipolis, Cadiz, Carrollton, Gahanna, Hamilton Twp. (Franklin) and Goshen 1-1.

## Need for New Taxes Hanging Over State

Officials Say Ohio Financial Situation Growing Precarious

COLUMBUS, Ohio (AP)—The need for new taxes hangs heavier than ever over the heads of officials who control the state's purse strings.

Veteran Sen. C. Stanley Mechem, a Nelsonville shoe merchant, says the state's financial picture is so dark he doesn't want to discuss it. The Senate Republican floor leader made the observation at a state meeting of fellow retailers in Columbus. Mechem said he came to the meeting to discuss the "state of the state" but decided a report prepared for him was so dark he would keep it in his pocket. He talked instead about legislative prospects for the January session of the General Assembly.

A little light on his report showed that officials expect state spending in the two-year bookkeeping period ending next June 30 to exceed revenues collected. It also indicated that if the rate of spending continues through the 1958-59 biennium, any so-called state surplus will be insufficient to balance the budget.

The report indicated that only "harsh economies" in existing programs could avoid new taxes.

But programs for public schools, public welfare and state hospitals and prisons call for heavy additional expenditures.

Those and other administrative functions of state government depend on the general revenue fund for money. Only those functions financed by "earmarked" funds such as highway and wildlife would escape difficulties.

Income from the state's 3 percent sales tax pays for nearly half of the functions financed out of the general fund. Sales tax revenues are expected to cover expenditures through mid-1957 but not beyond.

Because the trend of increasing costs is expected to continue through the current bookkeeping year, officials expect no increase in a state treasury balance of some 60 million dollars. That means, they said, that despite increased sales tax revenue, the balance will be about the same as it was in June, 1955.

Mechem's report showed that if the contemplated rate of expenditures continues into 1959, the entire 60 millions might not be enough to balance the next budget. That means, the report indicated, that expanded subsidies to schools and local governments or new or expanded state functions must depend on new taxes or drastic curtailment of present programs.

## Mrs. Zella Davis Dies at Gallipolis

Mrs. Zella Davis, 75, who lived on the Chillicothe Pike near Washington C. H. until she moved to Allensville in Vinton County about 15 years ago, died in Holzer Hospital, Gallipolis, at 8:55 p. m. Sunday following surgery.

Her husband, Elza Davis, died in 1942. She is survived by three daughters, Mrs. Ollie Clark of Allensville, Mrs. Hiram Young of McArthur and Mrs. James Barker, Leesburg Pike.

She also leaves two stepsons, C. Frank Davis, of New Orleans, and Willard Davis, of Columbus, and several grandchildren and a great-grandchild. Robert M. Barker, Leesburg Pike, is a grandson.

Funeral services probably will be held Wednesday afternoon in the Writzel Funeral Home, in McArthur. Burial will be in the McArthur Cemetery.

Thirty-four universities in the United States have courses in motor fleet supervision and maintenance.

## Wipert Songfests To Resume Friday

Monthly songfests at the home of Mr. and Mrs. Roy Wipert, who live eight miles west of Washington C. H. on the CCC Highway, will be resumed at 7:30 p. m. Friday.

The songfests, launched seven years ago, have been in recess since May because of illness in the Wipert family.

A number of out-of-county guests are expected at Friday's program to which, as usual, the public will be welcomed. Those attending are asked to bring "finger food". Mrs. Kenneth Miller and Miss Joan Jacobs will be "ten-timers" at this month's songfest.

## Funeral Is Held For Paul Bain

Funeral services for Paul Bain were conducted at the Church of Christ in Christian Union on Gregg St. at 10:30 a. m. Monday by the Rev. Charles Ware, the pastor.

The Rev. and Mrs. C. T. Beard sang "Sometime We'll Understand" "Jesus Savior Pilot Me" and "Some Golden Day." They were accompanied by Mrs. Naomi Knisley.

The pallbearers were Leo Boger, Noah Walls, Fred Evans, Joseph Martin, George Conger and Earl Harper.

Burial was in the Washington C. H. Cemetery.

Tobacco also is a flourishing crop on the cold northern shores of Lake Erie, producing a \$74 million dollars annual crop.

## Seven Traffic Cases In Municipal Court

Seven charges of traffic law violations and one of trespassing by a hunter were on the docket of Municipal Court Tuesday with Acting Judge Edmond S. Woodmansee presiding.

The hunter, Pearl Bowling, 41, Hamilton, forfeited a \$20 bond for trespassing. The charge was filed by J. Willis Dick of Bloomingburg.

Two of the traffic law violators forfeited their bonds when they failed to appear. Both were cited by the state Highway Patrol.

Gus Clements, 34, Clarksville, forfeited \$20 bond for speeding on Route 62, and Howard Thompson, 26, London, forfeited \$15 bond for failure to stop on Route 238 before entering Route 62.

### THOSE WHO appeared in court were:

Charles Allen Hale, 18, Mount Sterling, fined \$10 and costs for failure to yield right-of-way at Elm St. and Washington Ave. The fine was suspended with a notation by Judge Woodmansee that Hale is to enter the Navy Monday.

Charles L. McGriff, 48, of 323 E. Paint St., fined \$5 and costs for speeding 54 mph on Highland Ave.

Robert Haynes, 21, of 729 Eastern Ave., fined \$10 and costs for failure to stop on the Robinson Rd. at Elm St.

Byron F. Redman, 68, Mount Sterling, fined \$10 and costs for failure to yield right-of-way on North St.

## Final Tribute Paid Mrs. Bertha Deere

Funeral services for Mrs. Bertha L. Deere, who died last Friday in Miami, Fla., were conducted at the Gerstner Funeral Home here at 3 p. m. Monday by the Rev. L. J. Poe, pastor of Grace Methodist Church.

Pallbearers were Cline and Heber Deere, Robert Wilson, Maurice Sollars, Ray Cline and Henry Christman.

Interment was in the Washington C. H. Cemetery.

## Frank R. Thompsons Return after 28 Years

Mr. and Mrs. Frank R. Thompson, moved Tuesday from Cleveland Heights to their newly purchased home at 615 Comfort Lane. They had left Washington C. H. 28 years ago, where Thompson accepted a position as science instructor at Collingwood High School, Cleveland.

Before going to Cleveland Thompson was principal of the Washington C. H. High Schools. He retired in June after serving 45 years in schools in Ohio.

## Fayette Grangers Planning Social Evening Saturday

There's going to be a big time in Fayette Grange Hall on Elm St. Saturday night; for that is the time of the annual Booster Night program.

A spokesman for the Grange said all business will be dispensed and the evening devoted entirely to visiting and dancing.

Festivities, starting at 8 o'clock, are to revolve largely around the square dance—for which there is to be an orchestra and a "caller" rather than recorded music.

This is the Grange's big open meeting of the year and members have been told to bring guests. They also are to bring sandwiches to be served later in the evening.

## Air Force Recruiter Here Every Tuesday

Air Force M. Sgt. B. E. Lieber has announced that he will be available at the post office here every Tuesday from 9 a. m. to 3 p. m. to meet anyone interested in learning about the air branch of the military service.

Sgt. Lieber has been in the Air Force 16 years, and has spent three of the last five years in Europe and two at Kelly Field in Texas.

Now an Air Force recruiting officer, he also is available as a speaker for civic and club meetings and may be reached by calling Chillicothe 4-2246 collect. He spends most of his week in Chillicothe.

Lieber is interested in enlisting men between the ages of 17 and 35. Veterans, he says, may get special advantages by joining up again.

## Man Sentenced On Morals Charge

Max Groves, 19, was taken to the Cincinnati Workhouse late Monday by Deputy Sheriff Charles Hays to begin serving a six-month sentence for contributing to the delinquency of a minor girl.

He and George Morris, 29, were accused of taking two teen-age sisters away from their home and contributing to their delinquency.

They were arrested a week ago at the home of the mother of the girls in Jasper Twp.

Morris was taken to the workhouse last week to serve a three-month sentence. They were sentenced after their hearings in Juvenile Court.

Groves was not sentenced until Monday, because a more serious charge against him had been considered. However, it was dropped.

## U. S. Mediator Scolds Dock Strike Parties

NEW YORK (AP)—A federal mediator has scolded union and management negotiators with a warning to "stop fiddling around" and settle the dock strike.

But the paralyzing walkout of 60,000 dock workers moved into its fifth day today with no sign of settlement. From 150 to 200 ships remained idle at deserted piers from Maine to Texas.

Negotiators for the International Longshoremen's Assn. and the New York Shipping Assn. resume contract talks today.

After a fruitless session Monday, Robert H. Moore, federal mediator, said he had told both sides to "stop fiddling around."

He said he informed the negotiators he didn't think there would be any immediate government intervention to stop the strike under the Taft-Hartley law.

As the contract talks continued the economic pinch caused by the strike grew more painful. The nation's railroads ordered a halt to rail shipment of almost all export freight to all strike-bound ports. The order was aimed at blocking a massive tieup of freight cars at ports.

The strike was already costing the nation's economy millions of dollars a day.

The union struck last Thursday midnight when its old contract ran out. Main issues in the dispute are union demands for a single contract to cover all East and Gulf ports, a full day's pay for any man called to the piers, no cut in the present two-man work gangs and a limit on the amount of cargo loaded in slings.

## World's Largest Power Plant Set

NEW YORK (AP)—A 450,000 kilowatt electric power generating unit, largest in the world, will be built at Graham Station, W. Va., American Gas & Electric Co. announced Monday. The site is on the Ohio River between Portsmouth and Parkersburg.

The \$58 million unit will be added to the Philip Sporn plant, jointly owned and operated by Appalachian Electric Power Co. and Ohio Power Co.

## Services Is Held For Mrs. Woods

Funeral services for Mrs. Lieut. Wood at the Gerstner Funeral Home at 1 p. m. Monday were conducted by the Rev. James Woodfork of Bloomingburg.

Mrs. Margaret Woodson wrote and read the memoir and Mrs. Margaret Easton sang two hymns, accompanied by Mrs. Robert Dixon.

The pallbearers were Vincent Lee, Carl Hargrave, Arthur Beaty, Lawrence James, James Evans and Stuart Quann.

Burial was in the Washington C. H. Cemetery.

### Bank Loot Flutters

SEATTLE (AP)—A paper bag stuffed with \$34,000 broke open as two gunmen made their getaway from a bank holdup Monday. Bills totaling \$10,300 fluttered to the street, the FBI said. The bandits got away with the rest.

## State Plans Selling Turnpike Building

CLEVELAND (AP)—The Ohio Turnpike Commission will receive bids Dec. 10 on the four-story office building and attached garage in Columbus, which it used from 1953 until it moved to the administration building of the northern Ohio Turnpike in Berea, last July.

The Columbus building is located at 139 E. Gay St. It has 12,800 square feet of floor space, plus 4,200 square feet in the basement. The garage, with an entrance at 44 N. Lazelle St., has 5,500 square feet of floor space.

The report indicated that only "harsh economies" in existing programs could avoid new taxes.

But programs for public schools, public welfare and state hospitals and prisons call for heavy additional expenditures.

Those and other administrative functions of state government depend on the general revenue fund for money. Only those functions financed by "earmarked" funds such as highway and wildlife would escape difficulties.

Income from the state's 3 percent sales tax pays for nearly half of the functions financed out of the general fund. Sales tax revenues are expected to cover expenditures through mid-1957 but not beyond.

Because the trend of increasing costs is expected to continue through the current bookkeeping year, officials expect no increase in a state treasury balance of some 60 million dollars. That means, they said, that despite increased sales tax revenue, the balance will be about the same as it was in June, 1955.

Mechem's report showed that if the contemplated rate of expenditures continues into 1959, the entire 60 millions might not be enough to balance the next budget.

That means, the report indicated, that expanded subsidies to schools and local governments or new or expanded state functions must depend on new taxes or drastic curtailment of present programs.

The report indicated that only "harsh economies" in existing programs could avoid new taxes.

## Seven Traffic Cases In Municipal Court

Seven charges of traffic law violations and one of trespassing by a hunter were on the docket of Municipal Court Tuesday with Acting Judge Edmond S. Woodmansee presiding.

The hunter, Pearl Bowling, 41, Hamilton, forfeited a \$20 bond for trespassing. The charge was filed by J. Willis Dick of Bloomington.

Two of the traffic law violators forfeited their bonds when they failed to appear. Both were cited by the state Highway Patrol.

Gus Clements, 34, Clarksville, forfeited \$20 bond for speeding on Route 62, and Howard Thompson, 26, London, forfeited \$15 bond for failure to stop on Route 238 before entering Route 62.

THOSE WHO appeared in court were:

Charles Allen Hale, 18, Mount Sterling, fined \$10 and costs for failure to yield right-of-way at Elm St. and Washington Ave. The fine was suspended with a notation by Judge Woodmansee that Hale is to enter the Navy Monday.

Charles L. McGriff, 48, of 323 E. Paint St., fined \$5 and costs for speeding 54 mph on Highland Ave.; Robert Haynes, 21, of 729 Eastern Ave., fined \$10 and costs for failure to stop on the Robinson Rd. at Elm St.;

Byron F. Redman, 68, Mount Sterling, fined \$10 and costs for failure to yield right-of-way on North St.

Final Tribute Paid Mrs. Bertha Deere

Funeral services for Mrs. Bertha L. Deere, who died last Friday in Miami, Fla., were conducted at the Gerstner Funeral Home here at 3 p. m. Monday by the Rev. L. J. Poe, pastor of Grace Methodist Church.

Pallbearers were Cline and Heber Deere, Robert Wilson, Maurice Sollars, Ray Cline and Henry Christman.

Interment was in the Washington C. H. Cemetery.

Frank R. Thompsons Return after 28 Years

Mr. and Mrs. Frank R. Thompson, moved Tuesday from Cleveland Heights to their newly purchased home at 615 Comfort Lane. They had left Washington C. H. 28 years ago, where Thompson accepted a position as science instructor at Collingwood High School, Cleveland.

Before going to Cleveland Thompson was principal of the Washington C. H. High Schools. He retired in June after serving 45 years in schools in Ohio.

## Fayette Grangers Planning Social Evening Saturday

There's going to be a big time in Fayette Grange Hall on Elm St. Saturday night; for that is the time of the annual Booster Night program.

A spokesman for the Grange said all business will be dispensed and the evening devoted entirely to visiting and dancing.

Festivities, starting at 8 o'clock, are to revolve largely around the square dance—for which there is to be an orchestra and a "caller" rather than recorded music.

This is the Grange's big open meeting of the year and members have been told to bring guests. They also are to bring sandwiches to be served later in the evening.

THOSE WHO appeared in court were:

Charles Allen Hale, 18, Mount Sterling, fined \$10 and costs for failure to yield right-of-way at Elm St. and Washington Ave. The fine was suspended with a notation by Judge Woodmansee that Hale is to enter the Navy Monday.

Charles L. McGriff, 48, of 323 E. Paint St., fined \$5 and costs for speeding 54 mph on Highland Ave.; Robert Haynes, 21, of 729 Eastern Ave., fined \$10 and costs for failure to stop on the Robinson Rd. at Elm St.;

## U. S. Mediator Scolds Dock Strike Parties

NEW YORK (AP)—A federal mediator has scolded union and management negotiators with a warning to "stop fiddling around" and settle the dock strike.

But the paralyzing walkout by 60,000 dock workers moved into its fifth day today with no sign of settlement. From 150 to 200 ships remained idle at deserted piers from Maine to Texas.

Negotiators for the International Longshoremen's Assn. and the New York Shipping Assn. resume contract talks today.

After a fruitless session Monday, Robert H. Moore, federal mediator, said he had told both sides to "stop fiddling around."

He said he informed the negotiators he didn't think there would be any immediate government intervention to stop the strike under the Taft-Hartley law.

As the contract talks continued the economic pinch caused by the strike grew more painful.

The nation's railroads ordered a halt to rail shipment of almost all export freight to all strike-bound ports. The order was aimed at blocking a massive tieup of freight cars at ports.

The strike was already costing the nation's economy millions of dollars a day.

The union struck last Thursday midnight when its old contract ran out. Main issues in the dispute are union demands for a single contract to cover all East and Gulf ports, a full day's pay for any man called to the piers, no cut in the present two-man work gangs and a limit on the amount of cargo loaded in slings.

World's Largest Power Plant Set

NEW YORK (AP)—A 450,000 kilowatt electric power generating unit, largest in the world, will be built at Graham Station, W. Va., American Gas & Electric Co. announced Monday. The site is on the Ohio River between Portsmouth and Parkersburg.

The \$58 million unit will be added to the Philip Sporn plant, jointly owned and operated by Appalachian Electric Power Co. and Ohio Power Co.
